

Adrien Larrarte

June 15, 1978 - September 8, 2008

Adrien Larrarte, 30 of Fort Collins, Colorado, entered fully into the presence of the Lord on September 8, 2008 at the University of Colorado Hospital in Aurora after suffering a recent ruptured brain aneurysm. Adrien was born June 15, 1978 in Dallas, Texas. He was an old soul; a Southerner by blood, and was proud of it. When he was two years old, Adrien's family moved to Colorado and to Fort Collins when he was 14. Adrien grew up with a passion for books. He attended Fort Collins High School where he spent his time in the library, always learning. Through books, he taught himself many things. Adrien had a voracious appetite for the Church, history and politics. He was a multi faceted man, but Adrien's greatest passion has always been the Church and books. He brought many (back) to Christ along his way and he volunteered with the prison ministry. His lifelong dream was to teach theology. Adrien was a committed follower of Christ; was a great daddy; and was a dedicated and loving son. He was a family man and homebody. He admired all things Celtic and Basque and was learning to paint iconography. He is survived by his daughter Ashlynn and son Brendan; his parents, Sondra (and Gary) Hains of Fort Collins and German (and Bettina) Larrarte of Spain and Germany; his sister, Renée (and Austin) Larrarte of Ft. Collins; his ex-wife, Darci Larrarte of Ft. Collins; his girlfriend, Rochelle Evitt of Carr, CO; and his half brother, German Larrarte, Jr. of El Mirage, AZ. Visitation will be held Thursday from 6:00 to 8:00 PM at St. James Orthodox Church, 2610 S. E. Frontage Road, Ft. Collins. The viewing concludes with the Trisagion Prayers of Mercy. The funeral service will begin at 1:00 PM Friday at St. James Church followed by the interment at Grandview Cemetery.

“ I am so saddened by this horrible news. I was a close friend of Adrien's in junior high school and through the first part of high school. He was a true gentleman and a kind soul. Having moved to Colorado from Georgia-- we shared a special connection over the great American South. My deepest sympathies to his children and parents.

“ Dear Friends and Family of Adrien,
My prayers go out to all of you during this tough time. Adrien was a special man, who became a friend over the year or so that he rented a room from me. He joined our Men's Bible study, and we always had great discussions, as his knowledge of the Word was incredible. He will be missed, but now he has eternity to learn about God and his boundless love for us!

Blessings to all of you, he will be missed,

doug

“ My memories of Adrien are filled with warmth and fondness. We spent many, many hours together talking, praying, laughing and sometime crying. I'm so sorry to see such a fine young man's life end so soon. Please know that my husband, Gil, and I loved Adrien and send our deepest regrets and prayers to you all. Warmly and in God's name,

“ While I didn't have as much time with Adrien as I wanted to, he was a man who had a clear gospel message to share. He spoke the Word of God with truth and clarity and was a joy to be around. I praise God for the life Adrien lived for Him and I'm joyful to know he now breathes the air of Heaven and lived with abandon for the Lord.

“ Peace to all of Adrien's loved ones in this time of sorrow. Although Adrien did not experience the miracle of healing we had hoped and prayed for in this lifetime, we believe that salvation by grace is the astounding miracle he is now witness to. May God comfort and keep all who love him until we are reunited with him in a better place in a better time. What a remarkable young man Adrien was. The world will be a very different place without him, but how grateful we are for his life among us. He left us a wonderful legacy in his beautiful children, and we trust that God the Father will fill the void in their lives that Adrien's crossing leaves with us. We know he fought very hard to stay with them, but are glad that he is at peace now. Darc-, you know we're always here for you and Ash and Bren... Love Aunt Janet and Uncle Ed

“ My Deepest sympathies to Adrien's family. Adrien was a student in several of my classes, and I remember him as being thoughtful, insightful, and passionate about history and politics. Adrien was always seeking more knowledge, and often the subject of the lesson would spill over into the hall, the social studies office, or the library. Adrien was the type of student a teacher loves to have in class - one who always wants to learn more. It was a joy to share ideas and knowledge with him, and I am very sorry that he is gone from us so soon. Again, my deepest sympathies.

“ I did not know Adrien very long. I met him at our Republican Precinct Caucus, where he and I and two others were elected to represent our precinct at county. Three of the four of us were Ron Paul supports, and Adrien was elected to represent us at state as well.

It says a lot about who he was that he had the conviction of a true conservative, Republican, and American Patriot to be radically in favor of Ron Paul instead of sheepishly following the hype of the other Republican front-runners. Without mentioning Dr. Paul, he stated his case very well and won the first representative slot handily.

I was most shocked and saddened to learn of his passing. My sympathy goes out to his children and family.

“ Dear Sondra and Rene,

We learned this week of Adrien's passing. We are so very sorry and can only imagine the grief and sorrow that you must be feeling. We and the boys have wonderful memories of Adrien. He was a warm, caring, and intelligent person. I am sure he was a wonderful son.

Our hearts and our prayers are with you during this time. You have been through so much. If there is anything that you need help with, please do not hesitate to ask.

Kind regards,
