October 16, 1964 - January 7, 2009

Mary Alice Codd, age 44, was born October 16, 1964 and died January 7, 2009 in Guyman, OK. after lengthy illnesses. She was raised and cared for by Richard and Donna Codd in Fort Collins, where she lived for 35 years. She attended St. Joseph Elementary, Lincoln Junior High, and Poudre High schools. After leaving Fort Collins, she lived in Albuquerque, NM for several years and lived most recently in Guyman, OK. Mary Alice's greatest desire in life was to be a good mother. Despite difficult health issues, she always strived to do the best for her children and it was her children that sustained her throughout her life. Her interests included a love of writing especially poems and songs. She had a great memory and remembered every detail about stories of when she was growing up. She had a wonderful sense of humor and loved to laugh. Friendships were very important to her. She often got into trouble as a result of her need to make and keep friendships. She was very generous with the limited resources that she had and she would spend more than she had to give to others. She loved yellow roses. Mary Alice had four children - Chelsea Baker (21) Fort Collins; Alandra Hayward(16) Milwaukee, WI; LaRoya Hayward (15) Albuquerque, NM; Chey-eures Stewart (6) Guyman, OK. She is also survived by her adopted parents Richard and Donna Codd of Fort Collins; and Brothers and Sister: Mike Codd (Nancee) Fort Collins; Tim Codd (Jane) Mission Viejo, CA.; Jeff Codd (Gloria) Sugarland, TX.; Cynthia Wooldridge (David) Fort Collins; and Tom Codd (Tanya) Boise, ID. “ Dear Codd Family - I have good memories of Alice being a typical little sister. You could tell she loved and looked up to her big sister and brothers as she was trying always to have your attention. I remember her affection for others. My prayers for comfort are with you all.

Love, Glenna

“ I attended St Joseph's Elementary School with Alice. I was painfully shy as a child and Alice was always nice to me. She and I got in trouble during an assembly because we were doing "string tricks" with our necklaces. We got carried away with what were were doing and were laughing and laughing rather loudly. The nuns were not happy with us! The memory of that time makes me smile! I truly appreciated Alice's friendship. She was quick to smile and had beautiful brown eyes! My thoughts and prayers are with her family during this time of loss.

“ Alice was one in a million, hard to forget! I went to school with Alice starting with elementary and ending in high school. We lost touch, and I've always wondered what became of Alice. I'm sure she will be missed by her children, family and friends. God bless you all for your loss and may she be there to protect you through this terrible time.

“ I have fond memories of Alice, as we attended Lincoln together. She was always cheerful, playful, and happy. We lost touch after jr. high, and as with so many others, we simply forget until a tragic moment like this arises. My heartfelt prayers to her in heaven and to her family. She will certainly be missed.
