“ Dear Donna, Evelyn, Efrain, Tony, Rachel, Buddy and Sydney,

Our hearts hurt deeply that Tim and I can't be there in person with all of you. All of you have been in our thoughts this week and many prayers said in your behalf with many tears. It breaks our hearts that you are having to experience the pain of losing Bob in death so quickly. We have so many beautiful memories of the time we spent with Bob and all of you. We will always treasure the memories we made doing unassigned territory with all of you. It had always been my goal to do that and it was the best time ever. Bob was such a spiritual giant. He was an excellent elder. Such a kind, loving, gentle, and generous man who took great care of his family and everyone else as well. He will be greatly missed.

We will be thinking of you today and glad to know there will be many there to comfort you and help you thru this painful day. We know it has been a very painful difficult week for you as well. We also know you have been overwhelmed with phone calls so we will call soon to assure you of our prayers and love for you. May Jehovah continue to be with you today and the many days to come.

We love you all dearly.

“ I was shocked and greatly saddened at the news of Bob's passing. We had a great friendship years ago. I most remember and enjoyed our many fun tennis outings. We were tennis partners and had some great times on the tennis court. I know if he were here, those memories would bring a smile to his face. Many condolences to you ,Donna and family.

“ Dear Family,

You are all in my heart and prayers. Know that you are a part of a huge brotherhood that will be there for you during this emotional time. Bob was a kind, caring, giving and loving friend. He was always there for me when Michael was growing up, free with support when ever I needed it. I remember how much he enjoyed my creampuffs! Made me happy to share that with him. Love you always and hope that I will be part of the large number there to welcome you back.....

Love, Valeri & Mikey

“ Dear Donna, Evelyn, Tony and Buddy,

I am so very sorry that your time with Bob was so short. I can't imagine the feelings you are experiencing. Bob was such a wonderful person and a truly great example that we would all do well to imitate. As I continue to pray for all of you, I truly hope that my actions provide support during your time of grief. May the Lord comfort you through this difficult time. Isaiah 41:10 'Do not fear, for I am with you; Do not anxiously look about you, for I am your God. I will strengthen you, surely I will help you, Surely I will uphold you with My righteous right hand.'

With deepest sympathy,

Patrick and Julie Formby
