“ Bonnie was one of my closest friends. I will miss our Jeep trips. I am so glad that we did go on our last Jeep trip in Wyoming. She was always up for going different places, especially if there were bridges to see and cross! I will also miss our craft parties and we had so much fun taking a pottery class. The whole class laughed with us and enjoyed her so much. My prayers go to Jim and Bonnie's family.

“ Bonnie and I first met when I opened my Diet Center Franchise in 1980.....I dieted her.....While on my program she needed to come see me every day.....One Monday after a big week-end for her she gained weight so I questioned her about the week-end and asked if there were things she could have done differently and gave her suggestions for the next time she had a gathering.....She got very upset with me and stomped out of my office and building.....I felt bad and thought about it and sometime after lunch I called and ordered her a Rose.....That evening she called me crying, Thanked me and said nobody had ever given her a flower or flowers before and from that time on our friendship blossomed!!!! So I will be adding a single Rose in honor of my Dear friend Bonnie of 37 years!!!! I will miss you Bonnie and our talks, but especially your laughter.....R.I.P.
I Love You!!!! Gloria

“ Bonnie was such a warrior !! She fought the disease with her head held high and I understand didn't complain !!! She was a wonderful person, may the Lord hold her in His arms welcoming her home in Heaven, now she is running the streets of gold healthy and whole !!! Hallelujah !!! I can hear her contagious laugh ~~~~~

“ I met Bonnie the first day of 9th grade in 1956.....we immediately became the best of friends! I'll never think of her without seeing her flip her long, golden hair over her shoulder! We have been the best of friends ever since. We'd call each other the evening before our birthdays and talk for hours, catching up....Too many memories to share here.....I'll miss her so much. I'd talk to her about every 2 weeks.....she NEVER complained. she'd just tell me what she had gone through since I last talked to her.....and what she thought was coming up.....she and Jim took care of her mom for 9 years....with so much love and compassion. I love and admire her so much. I'm glad she's out of pain now, and laughing with her mom, brother and daughter! God bless you, Bonnie.....I miss you so much....
