“ I was so sad to see that Brian had passed away, I worked at Auntie Anne's Pretzel in the Ft. Collins mall and always enjoyed when he could come see me and sing for me. I haven't work there in 3 years but I would still think of him often. What a blessed heart he had. He will be missed. Bless his family during this very hard time. Love and Hugs.. “ I was so saddened to hear of Brian's passing. I had just seen him here at the Senior Center last week where I work. He always brought a smile to my face when I would see him. He was always such full of life and was always a pleasure to talk with. I always tried to get the recipe for the salsa at Chili's and he would laugh and tell me "nope". I will truly miss seeing and visiting with him. He truly made my day and I know that he is off singing and collecting pamphlets somewhere special. My thoughts and prayers are with his family and friends. Thank you for making my days special! - Kelly Meyer

“ Dear Don and Carolyn,

Brian lived each day in such a genuine way and he had such a gift for making everyone feel a little lighter. He made our lives better in so many ways. His wide open heart deeply touched us all and we will miss him. We celebrate Brian's light shining brightly in our hearts, we will always love him.

Love, Don and Pam

“ Brian, Don, Carolyn and I used to go to dinner at Old Chicago every Thursday at 5, after Brian's Men's Group. Bread, untoasted, and chocolate milk were among his favorites. We had such good times together going to Brian's favorite places around Ft. Collins. I remember our fun trips to the mall. Brian was always happy and when he wanted to sing, he SANG! It was spontaneous joy! We had so many wonderful times singing with Dad's accordion at the holidays too.

Brian taught me more than I ever thought I could learn from one person. He taught me what is really important in life--to be genuine in every moment, to be happy no matter what is happening around me, to be myself, and to love unconditionally.

When it was time to go Brian would say, "Will you miss me?" Yes, Brian, I will miss you so very much, as will all of the many hearts you have touched. I love you and your family and I always will.

“ Mr. and Mrs. Schick and Jake,

Please know you are in my thoughts.

I first met Brian at Lincoln Junior High School many, many years ago. He brought a love of singing to our classroom. He made an everlasting impression. I was so happy to be reconnected with your family through his nephew Jake after so many years. Your family will always hold a special place in my heart.

Thinking of you,

“ We were acquainted with Brian for many years at the mall. Oh, how he could sing, especially at Christmas. No other music was necessary. We will miss him. We will be "listening" for his songs at the new mall. Brian, you are part of the Heavenly Choir now. Raise up your voice and sing as loud as you like. I'm sure we'll hear you. Know you are loved by many and that you made the world brighter during your stay here.

“ Don, Carolyn, & Jeff,

My families heart goes out to you for the passing of Brian to cerainly the Lord's house, Although, I have not seen you in years, we do feel a connection with all our Parkwood neighbors. Additionally, I seem to frequently see Brian walking around town listening to music or waiting for a Transfort. He seemed like a Fort Collins celebrity as often as we saw him around town. “ Brian was one of my favorite passengers both on Dial-A-Ride and Transfort when I used to drive. He always brightened my day when I would see him. He liked to tell me all about the books and music he would check out at the library as well as, often, breaking in to song...his favorites seemed to be Elvis and the Beach Boys. When I would ask him how he was doing he would often respond with, "Well, I'm getting older...getting older every day!" A bright star of Fort Collins has sadly dimmed and he

will be greatly missed. Your family is in my prayers. May he rest in peace and enjoy the heavenly choir!

“ Brian, I will miss seeing you all around town. It never failed that I would see you at least once a day. You were sometimes waiting for a bus or walking to your next bus stop. I was fortunate enough to meet you and get to know you through Cherrie. I am sad you are no longer here, however; I too am rejoicing you are with your Lord and singing both night and day. To Brian's family and host family I am so sorry for your loss. Amy

“ Dear Don and Carolyn,

Cole and I share both your heart break that Brian is no longer physically with us and also your celebration that he is now partying Jesus and all those who have gone before him. We loved Brian very much and were honored that God brought him into our life. Brian filled our house with love, joy, laughter, and brought out the silliness in both me and (mostly) my husband. Brian often brought us, mostly me, back to what's most important. I remember meeting Cole and Brian for dinner one night after work. I was upset about something that happened at work and vented for 5-10 minutes. When I was finished, I looked at Brian and Brian said, "oh well". I looked at him for a minute and just broke out in laughter. He was right, "oh well" why get upset about the little things. Brian buddy, thank you for being part of our life. We miss you and also rejoice with you. Love Cherrie and Cole Nelson

“ Brian you made this world a better place. You touched and affected many in your travels. "We're all changing, change is good" Thank you, truly great to know you. Jared

“ I am saddened to hear of Brians passing, I haven't lived in Fort Collins for years but I still fondly remember Brian coming to Steak Escape and ordering grilled cheese :) and singing in line! He will be remembered as a kind and happy face to many Fort Collins residents past and present.
