“ Dear Dan and Les. Your mother was such a wonderful lady and I truly thought the world of her. She was by far my favorite teacher and I'm sorry for your loss. After I started in the insurance business, your mother and I worked a lot together and I truly enjoyed the time we were able to visit. She was so caring of others and had a heart of gold. I missed her after she moved but am so happy that she was moving close to you and was able to be close for these past years. You're all in my thoughts and prayers and I hope you're all doing well. God Bless you all and thank you Mrs. Dee for everything you always did to help me grow.
