

Charlotte "Chucky" Anderson

March 8, 2021

Charlotte Anderson, aka "Chucky", age 86, went to meet her sisters in heaven on March 8, 2021. Charlotte is survived by Bill Hultgren, her brother-in-law, nieces Janice, Jeannette, Joanne, Laurie and Jan, and nephews Bruce, Richard and Ronald, their spouses and many great nieces and nephews. Charlotte was born in a farming community near Starkweather, North Dakota. She is preceded in death by "Mother" (Mary) and "Daddy" (Alexander), and her sisters Kathleen and Esther.

Charlotte grew up on a farm outside of Starkweather, ND. She was proud to say she was a North Dakotan through and through!!! She would spend summers working in the garden, taking snacks out to the farm crews, helping with the house chores and canning. Her parents' prioritized education, as well as 4-H. In order to attend school in the winter when the snow was deep, her father arranged lodging in Starkweather, and she and her sisters stayed in town.

Miss Anderson (as she was known to her students), began her teaching career in Minot, ND. She then moved to Bismarck to continue teaching for 34 years at Northridge Elementary. She loved teaching and she loved her "kids." While reading the paper, she would watch for past students. She followed the Bismarck sport teams and marriage announcements, always pointing out her former students. She always felt teaching was her calling.

Following the death of her father, Charlotte shared her home with her mother. That also included sharing her home with her mother's companion, Scooter, one of the many dogs that kept them company.

Charlotte enjoyed entertaining. She liked people and appreciated friends. When you attended a party at Chucky's house, you were in for coffee, food, talking, bridge, more talking, etc. Charlotte had large vinyl, book, and playing card collections. She was the consummate hostess.

Religion was an important part of her life. Her parents felt faith was important and

therefore, it was a large part of her early years and this continued throughout her life.

It was hard for the family to watch Charlotte change from the loving, laughing aunt to the aunt with dementia. The gifts she shared throughout her life will continue on through others - that is the true gift she leaves behind.

In memory of Chucky, please hug your children, say a prayer, plant a flower, feed the birds, visit your parents, play a game of bridge, play music and sing along, have a party with good china, laugh and enjoy life. It is not the material items Chucky left behind; it is her loving spirit.

Chucky's memorial service will take place on Thursday, March 11, 2021 at 1:00 pm MST, and will be shared via Zoom. Please use the Zoom information and link below to join:

“ Charlotte was a close friend of my Aunt Vivian Kuipers. Through Vivian I got to know her quite well. My children went to Northridge, so I also knew her through the school functions. Charlotte and I had some fun times together. She used to call now and then after she retired and we had some good coffee visits. I tried to keep in touch with her, but when her cell phone number didn't work I lost touch. I miss my chats with Charlotte and extend my sympathies to you her loving family. Vivian has dementia now, but if she could express her condolences I know she would. Prayers for you all. Nanette Boots

“ Miss Anderson was my favorite teacher of all time. She always made me feel so special, and was a great influence on my life. She remembered me later in life when I was an adult, and I will always love her for her kindness and caring ways. I hope her life was happy until the end. Rest easy Miss Anderson.

“ Chucky lived across the street from my folks on Highland Acres Road. She was such a sweet, kind and caring person. She had us over to her house for lunch when we were having a estate rummage sale at our mom's house. She was always thinking of others. I'm sure my folks were there to greet her when she arrived in heaven! Our thoughts and prayers go to her family. George and Kay Eslinger

“ My thoughts and prayers are with Chucky's family. I had the privilege of knowing her through a Church Circle. She was such a joy!

“ I remember Miss Anderson from Northridge. She was the sweetest person and everyone wanted to be in her class. My classmate and I were just talking about her the other day. I don't think I was lucky enough to have her for a teacher, but I remember her. She always had a smile and made you feel important. I'm glad I knew her. Sympathy to her family in the loss of a very special person.

“ Chucky will be dearly missed. She left an impression on everyone that she meet. Her love of hot chocolate and sweet rolls was no where close to her love that she had for her family. She said she was going to go home and she did just that. She gets to spend her favorite holiday, Saint Patrick's Day, with her sisters and parents.
