“ I still have ceramic praying hands that Donita made for me. I just recently passed them on to my granddaughter Melissa. My husband, Lindy, and Lyle, Lindy, enjoyed being brothers even though they were about 10 years apart. They enjoyed fishing and a yearly trip to Las Vegas. I have many memories of our visits with Lyle and Donita.

“ Although this picture is not very clear, nearly every photo I could find with Aunt Donita had a horse in it! I was lucky, because I was just old enough to become Aunt Donita's new playmate after Leigh Ann went to College. I was privy to many a trip to Colorado where I learned about feeding, riding, cleaning horses, and all about dogs, especially shelties, thanks to her! This picture is from 1974, but one of my favorite memories was when Donita took me to a horse show in Greeley. She taught me about the “Greeley Smell”, and how to drive a truck in granny gear – I think I must have been about 11 or 12.

I have many a fond memory of Aunt Donita, she will be missed...

“ I met Donita when I joined the Lakewood Riding Club many years ago. We became good friends and rode our horses together numerous times. She was active in all aspects that dealt with horses. She was one of a kind and I will miss her.

“ LeighAnn and I grew up together as our parents lived next door to each other when we were born. My fondest memories of Donita were when I would stay overnight with LeighAnn and Donita would make us breakfast in the morning, which always included bacon. LeighAnn and I would sneak in and eat some bacon as it came out of the pan. Donita would act like she didn't see us and tell Lindy that they had bacon thieves in the house. We would laugh so hard! Later in life, she always insisted on making us wonderful meals when we we passed through Colorado. She will be missed by many. My condolences to the family.
