

Dorothy "Dottie" Carolyn Mock

August 15, 1930 - January 25, 2022

Dorothy "Dottie" Carolyn Mock was a caring school teacher, wife, mother, grandmother, and friend. Born on August 15, 1930 in Julesburg, Colorado to Don and Carolyn Payne, she lived a full life of 91 years. Dorothy passed away peacefully on January 25, 2022, in the comfort of her home surrounded by family and friends.

Dorothy was married to and preceded in death by George Rudolph Mock, Jr., whom she met while attending Colorado A&M (now Colorado State University). The two were married on March 21, 1953. A lifelong learner as well as teacher, Dorothy graduated in 1953 with a Bachelors of Science in Vocational Home Economics and went on to teach many levels of education from preschool through higher education. She returned to CSU to earn her Master's of Home Economics in 1971.

A dedicated member of the Fort Collins community, Dorothy was a kind and welcoming presence to friends and neighbors new and old. She was a longtime member of PEO, volunteered her time with the Welcome Center, and was a member of the Fort Collins Country Club for 48 years. As an avid CSU fan, Dorothy held a position on its Alumni Association board for many years. Dorothy enjoyed playing bridge with her friends and gardening around her house on Terry Lake.

Dorothy is survived by daughter Marilyn Pickering and her husband Tom Pickering of Broomfield, Colorado; son Don Mock and his wife Sharmon O'Brien of Edwards, Colorado; four grandchildren: Matthew, Andrew, Mackenzie, and Madison; and two great-grandchildren: Natalie and Erica. She will be sorely missed, deeply loved, and never, ever forgotten.

The family gives thanks to all the caregivers who have cared for Dorothy in the final years of

her life. No formal service is currently planned. A private family celebration of her life will be held at a later date.

Donations in her honor can be made to two causes close to her heart: The Larimer Humane Society and Pathways Care.

“ Our family was blessed to know Dottie & George. When our sons were little we had many chats with them as we walked the lake trail and/ or sold school raffle tickets . Dottie remembered the details of previous chats with the boys and was very encouraging of their various interests. She always had a warm smile and a kind word. She always enjoyed our dogs was a consistent “treat stop”. We will miss her - she was a wonderful example of “ loving thy neighbor” .

“ I first met the Mocks walking on the lake path with my dog Molly. Dottie and her husband would always call out and I would stop and share the neighborhood news. Later I would see Dottie and compliment her on the lovely flowers lining her walkway. Even now my dog Piper stops every time we walk by and waits for Dottie to greet us with a pat and a treat. I'll remember Dottie with affection for her cheerful outlook and lovely sweet smile

“ Dottie was a welcoming, friendly neighbor, she would always invite me over for a glass of wine out by the lake and took me to a Christmas lunch at the country club. She adored and was so proud of her grandchildren and would share pictures and stories about them. I will miss her smile and cheery hellos...

“ One of the things I love most about Dottie was how much she loved and enjoyed children. She would refer to children as short little people. That would always make me smile. My three-year-old grandson John Quinn enjoyed seeing her very much. She let him know he was very important. I will miss Dottie greatly.
