

## Dwayne W. Cavins

July 25, 2018

Dwayne Walter Cavins age 56, died on July 25, 2018 in Fort Collins Colorado. He was the kind of guy that always had your back. He could make you smile even when you didn't think you could. His laugh and his hugs always made you feel better. He may have looked rough around the edges, but he had the biggest heart. He loved the Raiders, fishing, camping and working on cars. His biggest love was his family. He was always the happiest doing family activities whether it was riding bikes, camping or fishing, as long as it was with family he was happy. He could make friends anywhere he went, and always knew how to make you feel special. He had this way about him where if you didn't know him you wanted to. When you knew him he would take you in and treat you as family.

He was working at Walmart for the last couple years and he absolutely loved his job. He got to make new friends and have a new work family. His job and the people he met along the way meant the world to him.

Some of his favorite sayings were:

"Live fast, die young and leave a beautiful corpse!"

"No wheelies and keep it under 100."

"I've had bigger scratches on my eye ball."

"The bigger they are, the harder they fall!"

"Put that in your pipe and smoke it!"

He's survived by his 3 girls Kristie, Alicia and Jessica.

He had 5 grand children Seth, Kristina, Taylor, Nicholas and Zane.

Parents Ray and Loretta.

Siblings Kim, Brent and Kelly.

He was proceeded in death by his son Andrew, Grandfather Walter and Grandmother Dorothy.

“A limb has fallen from our family tree,

I keep hearing a voice that says Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all how truly I was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes, we're together again.”

Gone but never forgotten

“ One of my favorite memories of my brother was one time when the family was playing frisbee when they lived on Hover. Someone threw the frisbee over his head and it landed on Hover road, and started rolling along behind a car. Dwayne was unfazed, he just followed along behind it singing "Rollin', Rollin' Rollin'. I still laugh when I think of it.

“ Dwayne was my best friend and my next door neighbor and this past week, without know of his passing, I thought of a few things we did. We both loved listening to music like Kansas, Deep Purple and many more, deep sea fishing with his Dad Ray. Driving his parents VW bug before we got out licenses and being pulled over by a cop and getting off with only a warning (still can't believe that one). Riding motorcycles out in the fields of Santee during school (with a photo class pass) in the hills by Santana. Dwayne was a good person. I've missed our talks and I'm saddened by the news of his passing. I really hope he finds peace in the next life. Later, Dwayne.

“ Sorry to hear if Dwayne's passing! We met the Cavin's while neighbors on Cedar Steet in El Cajon. Our families became friends and eventually both moved to Santee. Dwayne and my brothers played/hung out together and our moms became good friends. I babysat a lot. Dwayne was always a happy kid and was always being funny. Our families drifted apart. Always wondered what happened to them and where they were.
