

Ethan Michael Smallie

September 3, 2020

Ethan Michael Smallie, of Fort Collins, was born in Marietta, Georgia on May 5, 2004, to Todd Smallie of Granite City, IL, and Brooke (McHenry) Smallie, of Westport, Connecticut. He passed away unexpectedly on Thursday, September 3, 2020, at the age of 16. He is survived by his parents, Todd and Brooke Smallie, of Fort Collins; his sister, Gwyneth Marie Smallie, of Boulder; and a large extended family including grandparents, aunts, uncles and cousins.

Ethan was a bright, curious boy, and when he was young, he had the focus and intelligence to be a competitive Rubik's Cube solver and an incredible trick Frisbee player. He loved to be in motion -- when he was young, he was a BMX bike racer and as he got older, he loved to go for long drives and on road trips with his dad. He took after Todd's musical talent when he was small by banging on the drum kit, and when he was older, he loved making beats. He was an animal lover, and especially cared for his dog, Teddy. He had a great summer in 2020 learning the electrician's trade with his beloved Uncle Brent, and shared a truly special bond with his big sister Gwyn.

Ethan was so kind and caring and would drop everything to help anyone in need. He was always ready to listen and had that special skill of asking the right questions to make you know that you were heard. He was always ready with a joke and a smile and could not wait to be old enough to go to Lil Skies and Travis Scott concerts with his idol, his big sister Gwyn. The time that he spent with her at CU Boulder was some of the most important in his life.

Ethan also struggled, as so many adolescents do, with mental health and substance abuse issues. Most teens get the opportunity to learn, grow and become healthy, but to our shock and grief, Ethan was denied that chance. Words cannot express how much he was loved and will be missed.

His funeral service will be held on Sunday, September 13, at 1 PM at WindSong Event Center at 2901 Saddler Blvd, Severance, CO.

“ Indigo had a hole in the wall because Ethan dares me to cartwheel down the stairs. I miss his chaotic energy.

“ There are no words to convey how sorry I am for your loss. Just know that you have my heart, thoughts and prayers during this most difficult time. There is a saying that I go to in times like this.....I pray it brings some comfort to you.....

Life is a blend of Love and Loss, but love is always stronger....Love lives on forever.

You will never be without the love you have for him.

“ Ethan walked our two dogs for over a year. They loved him—and we did too. Ethan was so conscientious about this responsibility. I have several memories of this kind soul. Most involve his helping with the dogs, and more than once he said, “Come on Bella you know you want to go for a walk”— as she was dodging his attempts to put on her harness. Other fond memories centered around his sense of the latest fashion trend. I’d say, “Are those new shoes (or Jeans, or sweatshirts) and he would look up at me with his darling face and smile as he told me about whatever the item of the day was. The shame is that he never got to move forward and find his passion in life. This is just heartbreaking. We have nothing but admiration for Brooke and Todd and Gwynn They devoted their lives to helping Ethan with the challenges he faced. There is no answer to why he’s gone. Only heartbreak at the loss.

“ I had Ethan as a student and as a football player at Preston. I will always remember Ethan's sense of humor and adventure. Ethan worked hard and came to class and practice with a positive attitude. I am sorry to hear of Ethan's passing and I hope the best for Ethan's family and friends at this time.

“ I was Ethan's 7th grade social studies teacher at Preston Middle School. He had a motor that was never in neutral. He had an unforgettable smile that he paired with a raise of his eyebrows that revealed the joy in his heart. He had a sensitive side and cared deeply for others. Preston is filled with teachers that remember Ethan vividly and we are deeply saddened to learn of his death.

“ Heartbroken for the Smallie family. Please know the Finleys in Montana are hoping the memories outweigh the sorrow.

“ I'll never forget the sweet young man that Ethan was. I have fond memories of watching he & his sister (who you could tell was his hero!) play together backstage, in the crowd at theaters, the hotel lobby after concerts. He had such wonderful energy & loved his family so much. This awful loss couldn't have happened to a sweeter kid or a more loving family but I know you all will share that love that Ethan gave you with each other as you persevere through this dire time. You are loved by so many Smallie family!!
