“ I am a cousin of Jean's. My mother Irene was Jean's mother sister. It has been several years since I have seen Jean. However, my sister Kathy and I spent time with Jean, Ron and their parents as young children. My condolences to Jean's family.

“ Jean came to our High School during our freshman year. She was a beautiful girl with lovely long wavy hair and she will always be remembered as a wonderful classmate and friend. She has attended our reunions and been a faithful and loved member of our Loveland High School Class of 1952. We all will miss her.

She and I shared our hearing problems and had great empathy for one another. She was a dear and treasured friend.
