Jody S. Skyberg, 49 of Ault. Viewing, 1:00-2:00 pm, funeral service, 2:00-5:00 pm, Saturday, August 26th at Faith Lutheran Church, 36980 CR 37, Eaton with reception to follow. August 22, 2017, a truly remarkable man passed away. Jody Steven Skyberg is survived by his wife Debbi, son Chris, daughter Jody Lea, daughter-in-law Natasha, son-in-law Christian, and his grandchildren, Jadon, Gabriel, and Candace, who were the absolute joys of his life.

Jody was a generous, big-hearted person and all who knew him knew if they ever needed anything, he was just a call away. Jody was an avid gun collector and enjoyed sharing his collection. "Don't put your finger on the trigger till you're ready to shoot," is what you would hear him say.

Jody was an excellent cook and enjoyed cooking for friends and family. Criticize his food and you would get a taste of his smart mouth. Jody loved spending time with friends and family, playing pool, darts, and especially his favorite – Pinochle. But if you beat him you would hear that smart mouth! Jody was loved by all who knew him and he will be dearly missed.

“ I REALLY hate to hear of the passing of Jody. I had no idea...such a shock!

Jody was such a pleasure to know and work with in the years before I retired from Brazos Electric Cooperative in Waco. Jody was a GREAT GUY, a lot of fun, a very honest consultant, such a good person, just a real pleasure to work with. God bless his friends, and family.

“ Deb and All That Knew and Loved Jody,

I did not have the pleasure of knowing Jody for long, only a couple years, but of the memories I do have, here's a couple that are fond to me:

At the ceremony honoring his 25th year of service to ESC, his grandchildren were present, and it was so obvious how proud they were and how much they loved their grandfather. It was the way they just hung on him and hugged on him continuously that was precious to see.

One of my favorites was the last time we spoke. There was Jody at the office, in his Bermuda shorts, sandals, tee-shirt, ball cap,...and a dress sports jacket. Quite the sight!

That's what I will cherish of knowing Jody is his uniqueness, character, and love of family.

On behalf of Bonnie and myself, please accept our condolences and deepest sorrow for your loss.

Kindest Regards,

Dave and Bonnie Delaney

“ I heard Jody laugh the other day, and it brought so much joy to me! That's why it stuck in my memory. Such an authentic laugh and a great smile to go with it. I will miss him!

“ Deb and family:

Words cannot do enough to express my sympathy for you at this time with the loss of Jody. I pray that God will provide comfort and strength to all of you in the coming days and weeks.

Over the past several years Jody and I developed a friendship and a relationship which I will cherish. We could talk about personal and family things as easily as we did work things. His world revolved around his family and I know being a grandfather was a very big deal to him and something that he spoke of almost nonstop.

At work I found him to be a big supporter and defender of ESC and also found him to be very protective and defensive of the people that worked for and with him. He had several clients which he had long-term relationships with and worked at exceeding their expectations and delivering top-notch services. I have many memories of interactions with Jody over the past 20 years and I will look back on that time with fondness.

My prayers and condolences are with you. If you need anything, please know that Nanette and I are here for you.

Warmest regards,
Kevin Hartig
