

Joseph Michael Belanger

May 4, 1982 - September 29, 2013

Joseph Michael Belanger, 31, of Loveland Colorado passed away September 29, 2013. A Memorial Mass will be held at 10:00 AM Friday, October 4, 2013 at St. Elizabeth Ann Seton's Catholic Parish, 5450 S. Lemay Ave., Ft. Collins. Immediately following the mass, the procession will take us all to Grandview Cemetery where he will be laid to rest.

Joseph was born and raised in Oxnard, California where he worked at Cisco Sporting and Fishing as a Deck hand and at Sports Chalet in footwear and receiving. He came to Fort Collins in late 2004; originally working at Garts Sporting Goods until going to work with Yancey's (a produce supplying company) as a fork lift operator. He worked there until the time of his death.

At Yancey's he was recognized for being an outstanding employee multiple times over the years. The business recently became Food Services of America and Joseph was recently promoted there.

His passion was fire fighting, which he was turning into his dream career. He began as a volunteer with the Larimer County Yellow Jackets (a brushfire crew). He later joined the Miliken Fire Department and most recently had joined up with the Berthoud Fire Department.

Family always came first for Joe, but fishing, fire fighting and four wheeling ranked pretty close to spending time with them. If he could have done all of them at the same time, he would be in heaven.

Survivors include his children Isaiah and Aiden; his father Gary Belanger, sisters Sarah Belanger Nava and Janell(Jake) Zebell; his brother, Jeremiah (and Juko); his girlfriend Jamie Boller; step-children, Jayden Castro and Mickenzie Boller; six nieces; and a nephew. His mother, Jackie Belanger preceded Joe in death, only last year.

“ Dear Belanger Family , I remember Joe always having a sense of humor and always smiling , and trying to help anyway He could. We met when we were kids since I lived next door to him for a bit and been friends since. I remember one summer week was hot out so we grubbin on frezze pops, well in garage painting and doing customization to the model car I had bought, and even after my family moved from that house we still hung out and spent the weekends occasionally at the bowling alley on the base by us during high school. Also member going to air show with his dad and him. Last saw him in a parking lot by tacobell years back and told me He was having a kid. Was happy to see you was able to do something good by being part of the Fire Department out there where he lived. Too bad we couldnt of caught up before your journey from are world....

RIP Joe and sorry about your Mom and Joe at now your with her now watching over everyone... takecare Homie.

“ Joe Belanger worked for me for 2 seasons as a wildland firefighter, and in that time became a regular and reliable member of our firefighting family. I cannot recall ever seeing him not smile, and his work ethic was unparalleled. The only thing more striking was the degree to which he could be depended upon. When Berthoud Fire needed help, a quick phone call to Joe was all it took; he would be there. The guys loved you and miss you buddy. God speed brother.
