

## Kate Prewett

August 20, 2018

Kate Remembrance Prewett slipped the mortal bonds of this life August 20, 2018 at the age of 17. She passed away in her home surrounded in love by her parents, John and Megan Prewett, and her older brother, Tyler Prewett. A service to the witness of her resurrection will be held Monday, August 27, 2018, 5:30pm, at Faith Church located at 3920 S. Shields St., Fort Collins, Colorado, 80526. All recipients and witnesses to Kate's boundless enthusiasm, love, and inclusive spirit are invited. Please note Kate specifically instructed her service shall be brightly colored and joyous!

Kate lived her entire life in Fort Collins, Colorado where she attended McGraw Elementary, Webber Middle School, and Rocky Mountain High School. Kate passed away on what would have been the first day of her senior year. Although she excelled neither in academics nor sports, she was gifted with the uncanny ability to connect with people and make them feel welcomed, accepted, and loved.

Kate was diagnosed with a glioblastoma on Saturday, August 19, 2017. Thereafter, she spent a year receiving treatment from Denver Children's Hospital, Children's Healthcare of Atlanta, and Duke University's Preston Robert Tisch Brain Tumor Center. Through it all, Kate never uttered a word of complaint nor lamented her diagnosis. Even at the end of her days, Kate strove to nurture personal connections with people, and she relished – and reciprocated – the love and support she received from her hometown.

Kate will be missed in ways we are only beginning to realize. The deepness of our grief merely serves to indicate the extent to which she touched our lives. However, our collective hearts should be full and at peace in the realization of three truths: 1) Kate was a blessing to all who knew her. 2) Our grief is only temporary, for we shall see her again. 3) In the meantime, Kate will always be nearby so long as we also continue living this life with compassion, enthusiasm, and love.

“ My condolences to the Prewett family for your loss of dear Kate. I was sorry to just learn of Kate's illness and wanted to let you know that I am deeply touched by her passing.

I was lucky to get to know Kate when I worked at McGraw. She was a sweet, strong, happy girl with lots of friends and a loving family. I remember her ready smile and her closeness to her mom Megan.

I am sending you my heart felt love and hugs. May you have strength tomorrow to celebrate Kate's life and cherished memories to sustain you in the days to come.

“ Kate was an important part of our family, as she was my son's first love. We will always have her in our hearts. There are several memories, but the one that touched me the most was their prom this year. Ethan was so excited that he would be home from boot camp in time to take his beautiful girlfriend to prom. Here are 2 of my favorite pictures of their special night.

“ All of my memories of Kate revolve around volleyball.. I remember how carefree she was (which, I embarrassingly admit, annoyed me when we were in a close match! Lol) but I remember one tournament when we were short some girls and only had 6 to play the entire time - Kate played her absolute Best that day!!! I have a wonderful picture of her mid-air cheering on her team at another tournament, I will forever remember her smile in that moment.

“ With love, Dinah and Jeff Ostenso purchased the Florist Choice Bouquet for the family of Kate Prewett.

“ I remember meeting Kate while taking my deaf preschooler on a tour of McGraw Elementary. It was Halloween, and the preschoolers were allowed to trick or treat. Kate Prewett was a standout even at that young age. Dressed as a pop star, she emanated confidence, joy, & beauty. In that moment, I prayed that my tiny, deaf, shy daughter would someday handle school with that finesse. Every morning that I sign with my daughter, I think of Mrs Prewett! You have forever touched our lives and I grieve with you at the loss of your amazing, Kate!

“ I remember one year at Crossroads, we went out for dinner at the Hard Rock Grill. I remember that Kate's stomach wasn't feeling well so she was unable to finish what she had ordered. She got it in a To-Go box and while we were walking back to our hotel, we passed a homeless guy on the street. She gave her food to the homeless man and it was the most awkward moment I've ever experienced with her. He looked so confused and we just kept walking and we have no idea what happened after that. I loved Kate so much and it was such a pleasure to play three years of volleyball with her. Rest in peace Kate.
