

Kathy Crossman

February 18, 2018

Kathy was a loving wife, mother, grandmother, sister, daughter, and friend. Her positive and graceful way of life carried through to her last breath. She valiantly fought breast cancer for over 3 years before losing her battle. No matter how hard the treatment or the obstacles that were laid before her, she handled it all in stride and never wanted anyone to worry about her. She took joy in everything around her from indulging in a margarita on the patio to traveling with her family. Golfing, quilting, and crafting were 3 of her favorite hobbies, but she enjoyed spending time with her family above everything else. Her 5 grandchildren were her pride and joy and she was happy to tell anyone and everyone about them. Kathy was one of those lucky few who found her true soulmate in her husband, Bob. They were inseparable for 42 years and built a life that is admired by all that knew them. She was an amazing person and will be missed dearly by her family and friends.

A memorial service will be held on February 24, 2018 at First United Methodist Church, 533 Grant Avenue, Loveland, CO at 11:00am. In lieu of flowers, donations can be made to the United Methodist Church Help Fund. Donations can be left during the memorial or mailed to the church.

“ Life in itself is a gift. Friendship is a gift of trust and respect. I feel complete in having the gift of Kathy as my true friend.
We enjoyed many conversations about life, husbands, kids and grandchildren. I will keep your chair warm at Starbucks. Rob and I send our love to you Bob and Laura and Jason and family and Heather and Dennis and family.

“ I have so many wonderful memories of Kathy from Girl Scouts and Jobs Daughters and through my friendship with Heather. Kathy was always laughing and she seemed to have fun no matter what she was doing. I will never forget the fun and laughs we had at Heather's bridal shower and wedding dress shopping trip as well as the good times we had at many celebrations over the years! Kathy was also so incredibly talented and creative and I will always cherish the blanket she made for me while I

was in Jobs Daughters. She was caring, easy to talk to, fun and loving. I will miss her dearly and am so sorry for you all. My love and support is always here for you.

“ Loved this lady. She was the wonderful neighbor next door . Spent many a wonderful times on their back porch having a margarita. Loved her stories of her daughters and grandchildren. She was positive and when last I talked to her, she sounded as if life was going to be fun and good. I am sure you miss her Bob, I miss those thoughts of her, but we all have warm memories and things that make us smile when we think of Kathy and you. Hope to say hello to you one of these days.

“ I have wonderful memories of Kathy and Bob in Grand Junction. Joni and Kathy worked with Jobs Daughters teaching young women discipline and poise. Bob and I laughed our heads off as we cruised on prom night standing up through the moonroof in the backseat of the limousine while the kids were at the Prom! Kathy was a friendly, caring woman. The world is less because she is gone.

“ I have nothing but great memories of Spending time with Uncle Bob & Aunt Kathy... As we grew older we didn't get to spend much time together but it was always fun & laughter when we got together.... Uncle Bob would always crack jokes and Aunt Kathy always acted unamused, we would all chuckle and laugh together. We will miss you Aunt Kathy...

“ I have such great memories of hanging out with the Crossman family as a kid. Going up into the mountains to cut Christmas trees and banging pots and pans on the front porch for New Year's Eve parties, and playing with Heather and Laura. Kathy was like a second mom sometimes. Sending love, thoughts and prayers to you all.
