Linda Marie Weigand was born May 1, 1945 in Alva, Oklahoma to Carl and Helen Weigand. She grew up in Alva and spent her first two years of college at North Western Oklahoma State University there. She transferred to the University of Colorado, Boulder and graduated with a degree in Mathematics. It was at CU that Linda met David Bath while she was serving as president of the Baptist Student Union. They were married June 14, 1969 in Boulder, and together they have two daughters.

Linda was one of the early pioneers in computer programming, working for 20 years at the National Center for Atmospheric Research in Boulder. After living in Boulder, Linda and David lived in Arvada, CO, prior to settling in Loveland in 1991 where she and David started the Law Offices of Bath and Associates.

Her faith in God's love carried her throughout her life; even to the very end, as she confidently proclaimed that it was her time to be going home.

A woman with many talents, Linda was a gourmet cook who loved gardening, sewing, painting and horses. She especially loved the newest addition to her life; grandchildren.

She is survived by her husband, David; two daughters, Lisa and husband Cody Schopfer of Ft. Collins and Laura Bath of Denver; two grandchildren, Drake and Cameron Schopfer; brothers, Carl Warren Weigand of Alva, OK and Dennis Weigand and wife Janet of Edmond, OK, and sister, Jan Rauh of Norman, OK. “ Dave,

Robb and I were unaware how progressive Linda's illness must have been. We only today learned of her recent passing. We cannot imagine your feelings, but we want you to know that we are here for you as a support. Death of a loved one is never easy, and most people simply don't know what to say, as grief touches us all...

I can only offer that you and your family are in our prayers, and we hope that you all will trust time to help you heal from this difficult loss. I have finally figured out that loved ones don't actually belong to us; they belong to God. Accepting this is hard, but it may help a bit to know that she has returned back to her Eternal Father, and has no more suffering of any type. She fought the good fight, she ran the race; she kept the faith.

Prayerfully,
Robb and Lisa Kurth

“ We were shocked to read in the Ft.C. paper of Linda's passing. Did not know she had been ill. We worked with you(my sisters and I) and Linda when doing our mother's estate. Both of you were so helpful and made the process easier. I saw Linda many times after mother passed away and she helped so much. It was meaningful sharing Oklahoma roots and Christian faith. Will always be grateful to both of you. Your loss is great I know having lived and worked with your best friend and wife. You are in our prayers. I am sorry that I could not attend Linda's service. I did give a gift to RCS in her memory. Do not know if they have told you but I left it at Rez. I have a grandson attending there that is benefiting from that wonderful school.

Praying God heals your broken hearts of loss and replaces it with his joy that she is experiencing now. Thank God there is victory over death.

In sympathy and honor to Linda,

“ Dear David and family,

I am sorry I will not be able to attend Linda's Memorial Service. I have another obligation at that time. I regret that I did not keep up with your family. I did not know Linda was in Hospice Care. I will miss her a lot. As you know, I have consulted your office several times for legal advice and she was always so kind and cordial. May God be with all of you as you adjust to her being gone, as you remember that we will see her again in Heaven. Larry Dassow

“ David, Laura, Lisa, and extended family,

I was so saddened to learn of Linda's death. I know what you are going through. It's as though no words can possibly penetrate your heart and mind. After working through my grief of loosing Jon, I leaned so heavily on my faith in God. He truly is the great comforter. You will be in my prayers continually during this week and beyond.

David, after things begin to settle down I would be happy to sit beside you and have time to share some of the insights that have helped me during my 2 1/2 years of adjusting.

I have fond memories of Linda. Most of them surround the many times of when Laura and Carrie would be doing activities together. I also reflect on how helpful Linda (and David too) helped Jon and I towards the end of Jon's life with the various legal documents that needed to be in order. Linda's gentle approach and attention to detail were so appreciated. I also loved our political discussions that we had, of course, we were on the same page, so it made for an easy conversation!!

In Christ's love,

“ Linda was our neighbor in Alva...we liked playing together. Our memory of Linda was her ability to draw pictures of horses. Her mother told us of Linda's mural type painting in her home. We have not seen Linda since high school, but memories of our childhood will be with us always. Thoughts and prayers to her immediate family and to Carl,Dennis, and Jan. Sincerely, the Coffman twins...Vicki and Kay

“ Dear David and Family,

I just read about Linda in the paper and my heart sank. I was hoping she was to beat this. David my heart goes out to you I know you loved her so. You and your family will be in my prayers. It will not be the same without her, but she will make a beautiful angel and will be with you always. With Love and respect Debra J Aschenbrener
