“ Nancy, Gretchen...I am so sorry for your loss. I didn't know your Mom, but it seems like she was a great lady. And having lost my own mother back in 2007, I know how much it hurts to lose her. Sending much love and strength to you today, and all the days ahead. xoxo

“ Our thoughts and prayers are with you, Nancy and Gretchen and your families. A sad loss. We think of your family on Morseman and ours on fair play during junior high and high school years. We feel blessed to have known your parents

“ Our deepest sympathy to you Gretchen, Nancy, sister, Marlene and all the rest of the family who loved Lucille so much. As a member of Anna Circle we loved her dearly. She was a faithful treasure and Bible study leader for years. We were so happy when she was able to attend our summer brunch this past year. My last visit to her was in December and she was so happy and cheerful that day. We talked about family and she proudly showed me all the pictures of daughters and grandchildren she was so proud of. We all loved her and will always remember her valient fight with cancer, which she won, and is now among the angels and Jesus, and with those she loved gone before her.

With Love and Sympathy,

Pat & Reid Jacob
