“ Sharon was a kind hearted person who was very grateful for what she had. She always took the time to thank the people that cared about her, and always ended her conversations with a hardy "God Bless You". She will be missed.

“ So very sorry to hear of Sharon's passing. I have known her for many years and always thought very highly of her as a friend, mother and worker. She worked for a Dr. for years and that is also how I knew her. She was always so very cheerful and always a very upbeat person and was very good at what she did. Patient care, and just a very caring people person. Always had something nice to say about everyone. She will be missed and was called home way too early but God had other things for her to do in another place. I send my deepest sympathy to her daughter Alicia, whom she always talked so highly about and the rest of her family also.  
Sincerely,  
Shirley, Jordan

“ I have known Sharon for a long time. She used to live next door to my sister on Vine St. when she was married to Duane. She was a very sweet and fun person. I am just shocked I just seen her at Albertsons 2 weeks ago and gave her a hug. I feel for the all of her family. May she rest in peace. She will always be remembered as being friendly and a smile on her face.

“ to Sharon's family: I had the pleasure of working with Sharon at Sterling Companies and Western Mobile - both with Viney Trucking and with S. L. Viney Trucking. She was always professional, very poised, smart, pleasant, courageous and looked like a million! May she rest in peace. My condolences to her family.

“ Sharon was one of the most kind-hearted people I've ever known. She helped people any way she could without ever asking for or expecting anything in return. She lived her life the way God wants everyone to live-she loved Him, she loved people and she truly loved her family more than anything. For her life and death to have the most meaning I think we should all try to be more like her and not let time slip away without telling the people in our lives we love them. My prayers go out to her family, but especially to Alicia. Although she lived the furthest away, she was there consistently for her mom. I'm gonna miss you, Sharon.
