“ Blair,  
You and I only know each other through our Pilates class, and I never had the good fortune to meet Suzanne. She sounds like a wonderful person.  
I grieve for your deep loss, my friend, and am praying that you would find comfort during this very difficult time.

“ Suzanne, In reflecting on you, an easy smile comes to my face. I so admired your feisty energy, go-for-it sense of adventure, and dry sense of humor. I loved hearing your opinions on everything, be it personal or political! You have such a generous spirit and are a true steadfast support to friends in need. Thank you so much for that. As we gather for book club, there will always be an open spot on the sofa for you. We know you will be with us. With enduring affection and joy in remembering you my dear friend.

“ May Suzanne's memory be as a blessing, for Blair, Mary and John, and their families, and for we who knew her and as she was a part and influence in our lives, to provide strength and comfort to us as we go forward without her beside us. We will always remember her warmth, smile, friendliness, help and care, class and taste. So sad, so young.

“ We remain shocked and deeply saddened by Sue's passing. We are so grateful to have spent time with Sue and Blair in August. We were able to get all caught up and share the excitement of little Leo. She was a bright light that will be missed. Her entire family is in our hearts. - Bonnie Padilla and Steve Silverman

“ Suzanne was always so full of love and light! She was a very active Delta Gamma since her 1971 initiation and a charter member of our NoCo alumnae chapter. Throughout the chapter's 17 years thus far, Suzanne participated every chance she could and often won the "Supportive Sister Award" for being such a "rock" for all of us. My heart is shattered at this loss and so deeply saddened for her family. She will be forever missed by all of us.
