“ Just found out randomly browsing the internet. Sorry to hear about your loss. I spent many nights sleeping over when they lived in Hawaii Kai as James was one of my best friends. Seems like just the other day we were kids popping in and out on our way to Portlock point sunset or bonfire guitar jam sessions. Where did the time go? Terry always made me feel welcome like it was my house. Best of wishes to the entire family

Hey James & Kat if you see this, would love to get back in touch. I'm now living in Costa Rica and as your house was always open to me, my place is open to you. You can contact me through my surf & yoga retreat website www.shakacostarica.com anytime.

“ Ken...Came across Terry's death in the Hibbing Tribune obituaries. So sorry to hear about your loss; my thoughts are with you and your family. I knew Terry through a high school buddy, Gary Johnson, who also lived in Mahoning Location. She was a very sweet person. There'll be brighter days ahead.

“ To Ken & the Hoganson ohana~
Our deepest condolences on your loss of Terry. I met her at the Variety School, have fond memories of sharing lots of laughter with her, and remember her caring and deep commitment to being the best teacher to the kids in her class. She often came to confer with me, the school's occupational therapist, with all sorts of questions about how she could make things better. I think of Terry whenever I hear Dr. Pat Murray's name as she was so upset that he was more interested in her son's Playboy magazine than his injured leg. My only regret is that I wasn't able to reconnect with her after she sent her last letter to me. Bob Dylan will be in Honolulu for a concert soon. I always think of you, Ken & Terry, since he's from Hibbing and you called him Bobby Zimmerman.

Take care. Again, our deepest sympathy goes to all of you. Terry was one of a kind, and she will be missed a lot.

Best Regards & a hui hou,

“ Terry and I shared many good memories while growing up in Mahoning Location, just outside of Hibbing. She was my cousin and my friend. I spent my summers on the "Range" visiting family. Sometimes she and her sister Cathy would come to the Twin Cities to visit us and we would ride the street car to the end of the line and back again dragging our dolls with us. I will always keep my good memories of Terry tucked into my heart. Rest in Peace Terry! Love, Mary
