

Tyler David Scamehorn

June 9, 2019

Tyler David Scamehorn, 15, of Fort Collins, passed away at home on June 9, 2019. His parents and sister are heartbroken.

Born in Fort Collins, Tyler was going into his sophomore year at Rocky Mountain High School. He enjoyed school, especially math, photography and learning to speak Spanish. Tyler loved being outside – boating, camping, riding dirt bikes – all things outdoors. He held a black belt in karate after years of hard work and practice at the dojo of Karate West.

Not long ago, Tyler attended a “No Barriers” trip to Costa Rica and came home much more concerned and aware about the world and other cultures. He was a very spiritual young man, quiet, and had a great memory too.

Tyler had a heart of gold – he was a loving son and an awesome brother and friend. He was always protective of others, especially his little sister, with whom he had a great relationship.

Tyler is survived by his parents, Greg and Tina Scamehorn; sister Amira Scamehorn; grandparents, Terry and Marcy Scamehorn of Longmont, CO and Edward and Gloria Shreffler of Denver; aunts and uncles, Angie (Dave) Juarez, Steve Scamehorn, Eric (Erika) Scamehorn, and Scott Scamehorn; cousins, Devon Juarez, Zack Scamehorn, Sarah Hart, Dexter Scamehorn, and Georgia Scamehorn.

A Celebration of Tyler’s Life will be held at 3:00 pm, Sunday, June 23, 2019 at Mountain View Community Church, 328 Remington St., Fort Collins. A potluck reception will be held at the church afterward.

Donations in Tyler’s honor may be made to Larimer County Mental Health Services, or National Alliance on Mental Illness with the hope that more people will know there is help out there for those suffering from anxiety, depression, and mental health challenges.

Tyler had a heart of gold and will be forever missed – no family should ever have to bury a

child. To assist in funding Tyler's final costs, a Go Fund Me page has been set up at [https://www.gofundme.com/f/tyler-memorial?

“ Tyler was a good kid. We have so many memories from kindergarten on to the present of the boys and all the different events in their lives. I will forever see he and Dillon playing video games, eating and drinking pop in my living room. Tina, Greg and Amira we are praying for your strength and peace.

“ Tyler was such a gentle spirit in fourth grade, always thoughtful and kind to others. My heart is so sad that this gentle young man has gone. My heartfelt sympathy to his wonderful mom and dad and precious sister.

“ I did not know Tyler or your family, but I personally know your pain in the loss of Tyler. He sounds like he was a wonderful son and a wonderful young man. While I am sure there will forever be a hole in your heart with this loss, I urge you to focus on the happiness Tyler brought to your life and not any guilt for the loss.

“ "What a sweet, sensitive and empathetic child. It was a joy to get to be one of his teachers in his elementary school years.
Tyler loved the therapy dogs at school and I would love to bring Claudeen Jean, who is now 13, to Tyler's service for comfort and coping for other students and family. Please let me know if you would want this. Unfortunately, there are too many young people with sadness, anxiety and fears. In my retirement I have worked with mental health counselors with one of my therapy dogs. I wish I had gotten to know Tyler as a teenager. I remember what a caring brother Tyler was to Amira."

“ I am so sorry to hear of Tyler’s passing. My son Jayden and Tyler played soccer for a few years together with his dad being the coach. They also went to Costa Rica together with No Barriers. They attended schools together. Tyler was an amazing young man, with a smile that would light up a room. Know that you all are in my heart and prayers.

“ Greg, Tina and Amira, we wish there were words to say to you that would ease your pain. We know that there aren't any. We all miss Tyler so much. I remember when the kids were younger and Amira would be so happy to see our son, Josh when we entered Karate West. She said one day she would marry him. I would look over at Tyler and he would get a little embarrassed. He was always friendly and would have that little smile when he thought nobody was watching. He and Josh always enjoyed sparring each other of course I think they talked more than sparred. Scott used to joke around with Tyler during sparring and I think Tyler thought he was pretty cool for an old guy. I know Josh and Scott will not bow onto the mat at karate without thinking of Tyler and missing him. Your son, has touched our hearts and will forever be there. We are thinking of you and your family, hopefully in some small way it helps to know that.

“ My deepest condolences to your family. Tyler was one of the kindest, gentlest, and most hard working students I've ever had the privilege to teach. He will always be in my heart.
