“ *I worked with Adam at Poudre School District. He was an excellent craftsman, but more importantly, I will also remember him as a kind and caring gentleman. He always had nice things to say and was a joy to work with.*

*I remember cousin, Adam and all the good times at my Dad's house. Adam and Mickey used to take me to A&W and fill me up on Root Beer until my stomach felt like it was going to bust. He will be missed by many. John L Reich Jr*
