Andrew Jolliff of Fort Collins, Colorado, passed away June 16th, 2010. A Memorial Service will be held at 11am Friday, June 25th at Timber group in Lory State Park. Andrew Jolliff was born October 16, 1982 in Fort Collins, CO. He graduated from Rocky Mountain High School in 2001. He was employed at Air Products, in Fort Collins, where he worked as a sheet metal worker in the HVAC Industry. He was a loving Son, Brother, Uncle and Grandson. He enjoyed spending time with his family and friends. Andrew was a Hero to his young nephews and niece. Bigger than life, he was "Uncle Big Big". Children seemed to sense his big heart and he always could coax a giggle or laugh from them. He was generous and seemed to know when the ones he loved needed him the most and was always there for them. The nickname "Big Big" came from his nephew Shelton, it was some of the first words he spoke, yet it describes Andrew perfectly. Big of heart, laughter, loyalty, generosity and the way he loved all of his family and friends. Andrew loved the outdoors, camping, fishing, and hunting. Many memories of the time spent with him where he was the happiest will be shared and treasured by his extended family. He is survived by his Parents, Teresa and James Graves of Fort Collins, Fred and Roxy Jolliff of Thornton. His Sisters Bonnie Thomas (Steve Thomas) of Fort Collins and Karen Zelenak (Pat Zelenak) of Seattle. His nephews and niece Shelton, Cash and Taylor Thomas of Fort Collins. His grandmothers, Patricia Graves of Sugar City CO, Carol Schweers of Beemer, NE and many Aunts, Uncles and Cousins. Andrew will be remembered as a

loving, loyal and generous son, brother, uncle, grandson and friend. A Memorial Fund has been set up in his name for his niece and nephews through First Bank of Colorado.

“ *I only really knew Andy "Bubba" through his mom Teresa. He was gracious enough to come help me out fairly recently when I had car issues. Only because his mom asked him too, but he did it none the less. I always thought what a lucky guy to have a mom like Teresa. He gave her so much joy and easily made her laugh as I am sure he did with everyone he knew. I know that joy and laughter will be missed greatly. But I pray easily recalled in memories and stories to last a lifetime.*

“ *I have worked with Andy's mom Teresa for many years. I didn't know Andy really well but saw him enough to appreciate his sharp sense of humor and his very gentle personality. Teresa talked so fondly of him all of the time and would always tell us about the funny things he would say or do that would just crack her up! Through her I learned what an exceptional person he was and Andy was so lucky to have such a great relationship with his mom.*
