January 4, 1964 - May 23, 2026

Angela Ramos (Garcia) was born January 4th 1964 and died May 23rd 2026. Angela was someone who would be willing to help anyone out, especially her grandbabies. She loved fishing and being outside with her kids and grandkids, and when her family was around she was complete. She had an infectious smile that would make you feel like smiling with her. She had one of the most colorful personalities that anyone had seen, and her actions reflected it. She fell in love with cooking and music, and raised her kids with that love. She was survived by her husband Jose Serrano, her sons Angel Ramos (Samantha Ramos), Jose Ramos (Ivanna Mena), and her 5 grandchildren Gianna Ramos, Felix Ramos, Canelo Ramos, Mason Gray, and Angel Ramos Jr. She will forever be missed.
