“ *I will definately miss Anita!! She was a very unique lady. I felt like the more time we spent together the closer we were becoming. I felt like I was finally getting through her "protective barrier" she had put around herself. I hope she knew I wanted to be a real, true friend. I am glad that her physical suffering is at an end. I will miss her smile and her wonderful laugh.*

Goodbye Anita. Perhaps we'll meet again after... Love, Kathy
