Born in Bradley, IL, the 2nd of 7 children of Emory and Helen Dionne, Anne grew up in Bradley and graduated in 1948 from Bradley High School. She volunteered for 22 years, one day every week in her daughter Deb's classroom at Tavelli Elementary School. Anne enjoyed helping out with her grandkids and being involved with all her family.

“ I did not know Anne too long. But the short time I knew her I could tell she was an awesome person. I met her when she was in rehab and was in the next room to my 102 year old dad. We got to talk to her and visit with her family in front of the fireplace. We shared many a story. They both liked sitting in the sun coming thru the door at the end of hallway and they both loved corn. Sadly my dad passed away about 2 weeks ago. I am sure they are both up in heaven talking about their rehab experience and eating corn. Condolences to all of the family.

“ Tami so sorry to hear about the loss of your mom. She was a very sweet lady. I remember when she played the organ or piano and my mom sang for funerals and weddings with her. Also when they were in the church choir at St. Pat's. She will be missed.
