Anthony L. Campagna, of Fort Collins, Colorado was surrounded by loving family as he passed peacefully on February 28th, 2020 at the age of 82.

“Tony”, as everyone knew him, is survived by his loyal wife, Jane Campagna, of 45 years. He has 6 children and 15 incredible grandchildren: Michael, Katie, Matthew, Morgan, Ashlyn, Nicole, Sophia, Chase, Grace, Andrew, Jack, Vivian, Sylvia, Bronson and Reese. Tony is also survived by two wonderful sisters and many nieces and nephews. He loved watching youth sports, and supported the various hobbies of his grandchildren, whom he adored.

A man who was proud of his Catholic faith and his Italian heritage, Tony enjoyed old stories and laughing with the ones he loved. He was a veteran, serving in US Naval Aviation for four years before he was medically discharged in 1959. Tony knew his community of Fort Collins well, as he sold real estate for decades in and around town, earning awards and accolades through the years. He loved golf, baseball, country music, lemonade, old movies and sunshine.

“ Tony would always find us in a crowd and make us feel welcome and special. He was always interested in our family and happy to share good news with a quick wit and assuring smile. He confirmed his love of the faith many times in the way he consoled us when we were down. His passing is leaving more than an empty space in the family, it's leaving a wound on our hearts.

“ Sad to hear of Tony's passing! You probably remember years ago he and I coached our kids together....baseball in the 80's. Now those children have given us grandchildren and we have had the pleasure of watching them play baseball. We have lost a good man!

“ I have known Tony for a few years but peripherally for the most part. He always had a friendly smile, a good morning and a quip or two. My gratitude towards Tony goes more towards what he did for my family than he did me. When my wife joined Tony at Keller Williams, she had just come from a difficult work experience. He took her under his wing and helped her get a foothold in the company. What’s more is that Tony showed her that there is a better, happier, more fair way to do things. The benefit his guidance gave her, and consequently our family is irreplaceable. He will always have my gratitude and my friendship. He will be missed by my family very much.

“ Tony was the one that I could always talk to at the office when I first started Real Estate. He was always saying he knew I could do it and made it sound so simple. He had great words of wisdom and always had time to give advice or just listen and encourage. He loved talking about his grandchildren and telling me about all of their activities he was going to. He has a special place in my heart! You were an amazing person and mentor! Prayers to your family.

“ Tony was a wonderful mentor, coach, advisor, and friend when we worked together at both Re/Max and at Keller Williams. He was never too busy to stop whatever he was working on and give advice or just offer words of wisdom and support. Always a gentleman, he will be missed dearly personally and professionally. Rest In Peace dear friend.

“ Campy and I used to be the first ones into the real estate office (usually, I beat him in). We'd visit for only a few minutes, but they were always quality minutes. Quality guy, sweetheart of a man....irreplaceable. Loved him dearly. Onward, my friend...onward.
