

April Becker

April 17, 1973 - October 18, 2010

April Jean Becker, age 37, of Ft. Collins passed away at home in her sleep on October 18, 2010. April was born on April 17, 1973, in Mason City, Iowa. She graduated from high school in Omaha, NE., attended Front Range Community College and worked as a dental assistant in Ft. Collins. She is survived by her husband, Johnny McGray of Ft. Collins, parents Jim and Linda Becker of Windsor, CO. and sister, Allison Becker of Ft. Collins. April was married to Johnny McGray on September 20, 2008, in a beautiful ceremony at Avogadro's Number in Old Town Ft. Collins in the tree house on the patio. This was one of her happiest days. April was diagnosed with MS and fought it valiantly. She gave us 37 years of smiles, but now she is gone. She is at peace and rest. Her family and friends and her dog, Abbey, will miss her more than can be expressed. We love you April Jean. Say goodbye and celebrate her life Friday, October 22nd at 11:00 A.M. at Redeemer Lutheran Church in Ft. Collins. In lieu of flowers, memorials can be made to the family or to the National MS Society.

“ *April was a joy to know as she worked to become a dental assistant at FRCC. Her success as she worked as an assistant in the office of my dentist allowed me to see her at my regular appointments for many years. She was so smart and confident, yet her quiet and cheerful personality put everyone around her at ease.*

April's passing is a great loss for all of us who knew her and worked with her.

“ *My heart breaks as I look through so many old pictures of April. The pictures span through two weddings several houses and apartments and so many good laughs and fun times.*

I will always remember her as the strong, warm, and fun loving person she was and wish for her the greatest peace.

With all my heart and all my love to her and those she left behind.

*Peace,
Richard Egan*

“ *For nearly ten years, I had the pleasure of working closely with April as my dental assistant. April made our office a welcoming and lively place for patients and co-workers. Her spirit of fun and her warmth put people from all walks of life at ease. April was truly an exceptional dental assistant and a unique and lovely person. We find some comfort in knowing that the multiple sclerosis that took April from our office will no longer cause her to suffer. She will be deeply missed.*

“ My heartfelt sympathies to Johnny and April's parents and sister. I worked in the dental offices of Dr Schaefer (and later with Dr Kaines) for 15 years and really enjoyed knowing and working with April. She was a wonderful, delightful, cheerful, friendly person and a privilege to know. I will miss her. Roger and I expecially enjoyed April and Johnnys wedding at Avogadro's!

“ I met April, and her wonderful husband Johnny, only about 6 short years ago. We went swimming at their condo pool, had talks about philosophical thoughts and had one of the best nights of our lives playing Playstation American Idol karaoke. Even though April was in discomfort from her continuing battle with MS, you couldn't tell. She smiled, laughed and lived life fully. Samantha and I will miss April tremendously.

“ *The Loss Of A Cousin*

*My eyes filled up with tears as I heard the news
It never occurred to me, how much I could lose
I find myself wishing that it wasn't real
Every time I think about it, pain is all I can feel
Tears fall from my eyes, I can barely see
But my heart tells me that she'll always be with me
I'm glad she feels no pain now-she lives in a perfect land
I can still feel the soft touch on my shoulder of her loving hand
I lie in bed and cry at night
And I don't feel any better in the morning light
And I will love and miss her forever
Until the day we are again together.
Together in that perfect place above,
Filled with caring, sharing and love
But until that day comes- I will wipe my tears away.
And hopefully see her again someday*

*You are going to be deeply missed by all.
Love Dana, Nancy, Victoria, Ty, & Luc*

“ *How do you describe a best friend? Laughter is the first word that comes to mind when I think of April. We had so much fun and so many laughs. We enjoyed just sitting on the couch and talking for days or getting in trouble in New Orleans. We spent so many holidays together from going to the shelter to get a Christmas tree to putting crazy fruit in our turkey. My grandchildren remember going to Aunt Ape's to swim. My family and I send our heartfelt love to Johnny and April's family. My heart breaks just thinking I will never hear the phone in the middle of the night knowing it would be my best friend.*

“ Oh I am so sorry to hear about April. I haven't seen her for so many years, and yet I miss her in my heart. What a bright light she was in all of our lives. What a great sense of humor and what a great friend. April, I have missed you so much, and now, I will miss you always.

“ Please accept my deepest sympathies for your loss. There is a void that cannot be replace. The life insurance we buy is really preparation for death. But the life insurance Jehovah God offers is the destroying of death itself and all the things we can think of that causes it. He will do this through His Kingdom that His Son Jesus Christ is King of. We can gain comfort now through the Bible. And in the very near future we will hold our love ones again. We all will live happy healthy lives forever in exquisite delight and in an abundance of peace here on earth.

“ I didn't know April all that well but well enough to always be happy to see her. My fondest memory is of a Halloween spent floundering from place to place in the snow. Hers was one of the loudest laughs when I fell down, wearing full armor, and sounded like a kettle drum on that wooden floor. She had such a memorable laugh and smile. I just heard this evening that she's gone and I'm stunned. Her husband has been a friend for years and I was the pastor/officiant at their wedding. My sympathy, best wishes and prayers are with her family and with John. I'll always be glad that I knew her.
