“ *My Auntie Barbara was one of a kind! She always knew how to make someone feel very special and as though you were the only one that mattered at that moment. I spent days and sometimes weeks with Barb, Ernie, Tina, Maria and later Linda and Anna. They never made me go home, even though I am sure a good nights sleep would have been nice for them (instead of giggling girls). More than once we heard "You girls are gonna drive me nuts." But more than than once she would gather us all into one of her bear hugs and say..."T-Bird do you know how much I love you".*

I cherish those memories and for the special way they all made me feel! I love you all, thank you for sharing your Mom with me. "Barb, do you know how much I love you?"

“ I am so very very sorry for your loss. My Auntie was a great woman and i am so lucky to have been able to grow up with her and have always thought of her as my other Mom. She sure knew how to make me laugh when all I wanted to do was cry. She made me so many handcrafted gifts and I shall always treasure them. I have lived too far away for too long, yet some of the gifts she made me (all usually in my our beloved bronco colors) that all I've had to do is touch them and i can feel her presence near my, can see her smile. My dear Auntie i shall always love you and cherish my memories. And thank you so for always making me feel special and that I mattered. God bless you all. Love lori

“ A very nice lady, your mother and grandmother. Had a great personality and was a very friendly relative. Our family spent time with Barb and Ernie on a visit to Colorado, and also, spent time with her mother, Henrietta, as I passing through Denver with my brother Jim. Jim was on his way back to Arizona, the AF Base, before being sent to Vietnam. He died there in 1966.

I have found memories of this wonderful family. Even though we have lived at such a distance for so long, and seldom saw each other, I will miss her. She always kept in touch by phone with my parents, Barb's uncle and aunt, Gust and Toots Pleiman, who are also deceased. My best to your family and your children. Ruth

“ Best regards to the family of Barbara (Pleiman) DENNING. Very sorry for your loss.

Sorry to write that I never met Barbara, but heard many stories from my father, Eugene, my grandfather, August, and my Ohio aunts and uncles who knew her.

- Everyone, here in Ohio, loved her despite the difficulties in traveling the distance between Colorado and Ohio and not seeing, talking to her frequently.

Hope her children, my cousins, are doing well, with the loss of their mother.

Becky
