“ My sincere condolences to George's wife, Terri and his loving family. George always had a smile to share. He was probably one of the most up-beat and positive people I've had the opportunity to meet. I was blessed to be able to call him "friend". I am deeply saddened by his loss and will never forget his cheerfulness. The world is a better place because of George. His light will shine in my heart forever.

Terri, sympathy and prayers to you and your family. Know that our thoughts are with you. Wish we could come, but Roger has some health issues. We love you and will miss George, he was a wonderful person. Love, Roger and Janice Rybaski

Terri and Family--

I recall meeting George many years ago--maybe even before Pulse Athletic Club changed over to Raintree. We shared many a conversation in the sauna and/or on the floor of the club. George was perennially happy, with an inquiring mind and a ready smile. George relied on his Catholic faith to work his way through difficulties he and you encountered in life's journey. I am confident that he is with his God, still smiling, still positive.
