

Beth Fuller

June 18, 2022

Beth M. Fuller, age 80 of Fort Collins passed away peacefully on Saturday June 18, 2022, surrounded by loved ones in the comfort of her home.

A Colorado native, Beth grew up in Fort Morgan where, in her Junior year of High School, a shy and very tall farm kid named Ralph asked her to go to the prom. Their relationship grew through their time at the University of Colorado, where Beth earned a Bachelor's in Anthropology. Beth and Ralph married in January of 1967. After a few years of moving around the Midwest, they returned to Colorado. Beth and Ralph opened their first Jiffy Lube in 1977. In addition to having an active role in the family business, Beth started her own interior design business to share her creative talents with others.

In addition to her professional life, Beth had personal interests that ran the creative gamut. She got her life-long love of painting from her grandmother Grace, an accomplished artist. An ardent learner, Beth loved painting and art classes, and continued going to painting class with her friends after her stroke. Beth loved to travel, creating great memories with her loved ones.

Beth was preceded in death by her parents Frances and Millard. Those left to cherish her memory are her Husband Ralph, Children Sam Fuller and his partner Tim Belanger of Lakewood, CO, Sarah Fuller Elsen and her husband Corbett of Corte Madera, CA, Granddaughters Finley, Harper, and Dempsey

Elsen. Brother Bruce Huey, Sisters Maud Kenyon and Mary Leleiwi along with nieces, nephews, and many close friends who were like family to Beth.

“ Heartfelt sympathy to the Huey/Fuller ohana. Being a best friend of Beth's sister, Mary, my entire life, I feel a huge loss, for all of you. It's almost like I lost a sister too.

I remember Beth's laughter and humor. She took us driving to get ice cream cones and convinced us the cone is where the calories are so we threw those away after eating the ice cream!

Beth set up a still-life fruit venue on the Huey's kitchen table and we painted with her. I appreciated that so much. I still have a love for painting and always admired and appreciated her talent. She had such a way with colors, in her home and garden.

I remember being at Beth and Ralph's wedding on a cold winter day and thinking Beth looked so beautiful in her pale pink suit, a very happy moment in history, and one of the few weddings I attended. It was magical.

One weekend she and Ralph went on a Mexican vacation and left the kids, who were very young at the time, in Mary's and my care. I remember that she left us a ham and potato soup that was so delicious. And in spite of our care, the kids survived! When they came home, Beth told stories of the reaction that others had to their height difference, saying Ralph was called "Gringo muy alto", very tall man and she laughed and laughed about it.

Beth was a creative, loving, funny person and she will be missed but never forgotten. I am honored to have known her for over 60 years.

Thank you, Sally. We were blessed to have Beth and Ralph in our childhood; although, they mentioned how much they liked us, too. I crawled into the back seat of their car and hid under their luggage after their wedding. They wouldn't leave until Beth said goodbye to me. Ralph found me in the back seat and politely kicked me out of the car mentioning something about a honeymoon. Little memories like these sustain us. May she live in our hearts and memories until we meet again.
