“ *Will always remember the fun times we had with Bill at Sturgis, sitting in the parking lot at the Family Inn. Sharing margaritas and stories of the days ride, things we saw, people we saw and close calls we experienced. Bill was a kind soul. Thinking of Wilma and Scott at this time.*

My husband & I met Bill & Wilma through the Hot Rods we had. When I told Bill my mother's maiden name was Brewer, & she was from Tennessee we just knew we had to be related somehow..

We always referred to each other as cousins after that. Bill a nice guy with

A good sense of humor. Hadn't seen much of them in later years, but never forgot them either. Unfortunately my husband passed 2 years ago. I will think of Wilma during this hard time. If you need to get coffee & talk, I am available. God Bless!
