“ I'm so sorry to hear of Bobby's passing. We met about 40 years ago while working for Larimer County and became good friends, though I didn't see her much after I left the County.
Bobby was kind, generous, and caring like very few people ever are. After her divorce, Bobby became more adventurous, and began enjoying new experiences including dating and traveling. Her life became surprising and fun in ways I was so happy to hear about. She deserved all the good things in life.
Bobby was easy to love. She had such a generous spirit! She will be missed by all who knew her.

“ Very sorry to hear of Bobby's passing. She was a good friend for the last 15 or so years. We would often meet for brunch at Silver Grill or her favorite Pancake house.
My condolences to her family, especially to son John whom I met several times as we shared civil engineering stories.
