“ This man was amazing he restored my confidence in myself. I hadn't seen him in a long time but he taught me how to prep a car for paint and he was such a good friend as well as cousin.

“ *My thoughts and prayers are with Bob's family during this time of sorrow and healing. The Steffens have been my neighbors for the last 3 years or so and you could always see Bob outside lending a helping hand to anyone who needed it and keeping his lawn pristine. Our block will not be the same. Rest in Peace, Bob.*
