Most of her adult life she put her heart into being a homemaker and raising her children. She did work retail part-time for the military BX and the later in life she worked a few years for the JCPenny Corp. She was a dedicated

employee and was proud of the customer service awards she received. She was a member of The Church of Jesus Christ of Latter Day Saints where she served in several different auxiliaries such as Young Women's and Relief Society. She loved to serve others and follow the example of her Savior Jesus Christ.

“ *Mom I love you and will Miss you. My Heart is so glad that you no longer suffer with the physical and mental pain of your diseased body. You can stand tall, walk freely and speak clearly and I know you are dancing and dancing. Til we meet again....*
