“ *The Chapman family were all friends of my family. I remember going to their house to swim in the back yard when Brad and I were in grade school. I was sad to see the news of his passing. RIP old friend...*

“ *Brad - Bruce here, old elementary close friend. Haven't seen you since elementary, but I thought about you throughout the years; wondering how you were doing - you had that kind of impact on me. I was sad to see the news today.*

I remember like it was yesterday the football & dodge ball games on the playground.

Ms. Briggs telling you to sit on your hands cause you could not stop waving them as you were talking.

But also the smile you always had, and the smile you put on other people's faces.

*RIP
