

Brandon Guy Gianopoulos

September 25, 1992 - January 14, 2017

Brandon Guy loved life and life loved him back. So many things to say about our amazing son, brother, friend, grandson, nephew and uncle, Brandon.

He will be missed tremendously, and those who got to know and love him, know without a doubt that he lives on in our hearts, minds and souls and will continue to inspire and uplift us from the great beyond. We have a deep faith and his family is comforted in the unconditionally accepting and loving way that Brandon loved us and lived his life.

Brandon so loved his immediate family and his extended Gianopoulos and D'Agostino families. For years Brandon brought joy to all of us. But Brandon had another family, all of his friends and their respective families. To know Brandon was to experience love in the present tense.

Brandon's love and reach to others had no limitations and neither did his dreams. Since early childhood, he excelled at any sport he tried.

Skateboarding was one of his main passions. At 11 years old, he was known as the "kid with the red helmet" who could do tricks like no other.

Brandon loved everything fitness and after attending CSU for two years, he turned his passion (along with the help of his brothers and friends) into a fitness and apparel business, Genetik Freak, that he was so proud of.

His mom, Mary D'Agostino; his dad, George Gianopoulos; his brother, Tom

Eymer, (Christi); brother, George, (Raeden); brother, Alex and brother, Brandon; his sister, Susanne (Chris Maurer); his nephews, Jake, Cody, Owen, Rocco and Ellis; his Grandma, Char and Grandpa, Joe, and all of his cousins, aunts, uncles and friends will truly miss him and will always celebrate his great love and beautiful smile.

Brandon left a warm and loving impression on our hearts and he will want all of us to hug a lot and tell each other often. "I love you".

“ When Brandon was in high school he used to help us with yard work. We'd just moved into a new home and the back yard was a hot mess. He was beautiful in every way and especially in his heart. My heart goes out to you Mary. I cried this morning when I saw your post. We are going to DC tomorrow for the Womens' March on Washington or I would be at the service. If you need anything, we are here for you and I'm not just saying that. Be gentle with yourself. Take care of yourself. Do good things for yourself. Know that you are deeply loved. April Stutters
