“ *Brenda was such a dear friend to me! I loved her positive attitude on life, her love of family, her faith and her adorable giggle !! We shared so many memories! Golf which neither one of us was particularly good at, but it was great girlfriend bonding! Trips to Arizona and Iowa! Sac City holds so many fun memories from the boys hunting and their great stories to Brenda and I going shopping at Elements where we filled up the car with treasures to bring home! I started missing her when her memory began failing her and realized I was losing her 💔 ☐ I treasure the times we shared and am happy she is at peace making everyone in heaven chuckle when she giggles !!*
