“ *I've been searching for Maciel for years, and only heard this news today. I had know idea, & I am truly crushed. He was my one flight Seargeant that stood out amongst the rest when I was stationed in WY. He was a great man & mentor and definitely had my back as a young airman. He taught me a lot as I worked closely with him as LE. He will be missed but never forgotten. I will one day find his burial site and pay him a visit. Aloha and God Bless*

“ *My deepest condolences to the family. Rest with God my old friend. In my mind we are still 12 years old playing football at recess. Sorry we hadn't been able to see each other again.*

“ My deepest sympathy's to the family. I served with Senior Maciel and worked directly under him during our days @ F. E. Warren. I was shocked and saddened at the hearing of his passing. He was a great mentor, leader, and an inspiration in my life, and military career. I hope now that he has found peace and wish the family all the best. He will forever be enshrined in our hearts. “ Always seemed so stern and serious but always had a smile behind that look! I thought it was going to be such a dread when he had our class read the book of Job in the Bible...its the shortest book in the Bible he said! What a life lesson he taught and a way to apply to my life. Thank you for coaching our youth group in softball and volleyball. Thank you for encouraging me to sing for our Christmas program. Thank you for being the amazing man that you were. My prayers for comfort and peace for Patti, Amanda, Ashley, and Austin. Much love from the Lagang Family in AZ to yours xoxo

“ Bryan, Thanks for the memories!

*Patti and family,
I'm very saddened to learn of my friends
passing. My deepest condolences to you all
through these trying times. Bryan and I worked together at Luke.
We spent many a days hitting a little white ball around the base's
golf course. At work he definitely made some difficult days more
bearable. He was a great man, human, and it will always be a
pleasure for me to call him my friend. He will be deeply missed.*

*Love, hugs, and tears,

“ Patti,

*I am deeply saddened to hear of Bryan's passing. I have such great
memories of him from our days at Ft. Leavenworth. The three things
I remember most about Bryan were his sense of humor, how great
an athlete he was, and most importantly, what a good friend he was.
Even though I hadn't talked to him in a few years, he was one of the
guys I would think about anytime I talked about my days at
Leavenworth. I have some funny "Bryan" stories that I still tell to this
day; including the day they wouldn't let him play golf at the Ft.
Leavenworth course because he didn't have on a collared shirt, yet
was wearing a \$100 sweater!. We shared some mutual Air Force
friends who knew him at other bases and every one of us had the
utmost respect for Bryan. Please accept my sincere condolences to
you and your family. God Bless!!*

“ *Patti and family,*

Our deepest condolences. Bryan was not only my co-worker, but a true friend. The times at Luke, deploying to Egypt, playing golf, and softball are some of my most cherished memories. He will be missed by all.

Force Defender's Lament

*For these Dear Lord who've spent their lives
Attending other's needs
And giving freely of themselves
Through many selfless deeds*

*From comforting a comrades loss
When words were hard to find
To braving perils of a job,
Most others would decline.*

*For these who always stayed the course
As beacons in the night
Protecting, serving, reaching out
To carry freedom's light.*

*We pray Dear Father welcome them
Their tour of duty done,
And bid them pass through Heaven's gates,
True heroes every one.*

We just learned of Bryan's passing and our hearts are heavy with sadness for all of you over his sudden loss. Our memories of course extend to Austin and Shannon in kindergarten and reacquainted in middle school. I also have fond memories of Bryan as my business neighbor for a bit on E. “ *I'm so sorry for your loss. I had the honor of serving with Bryan up at F.E. Warren AFB in the early 2000s for a little over a year. His mentorship and friendship were truly valued and I will always remember his sense of humor, but also his constant professionalism.

Lord I ask you to be with me in a very special way, As I face the challenges that come my way each day. Please give to me compassion for the innocent I see, Help me to protect and serve those who depend on me. “ Bryan was one of my regulars at old Chicago, he would come in and have lunch, He was one of the funniest people I have met and had a huge heart! Not only did he know how to lift our spirits but he constantly raved how amazing his kids were! His old Chicago family is thinking of the Maciels and praying for their strength right now.....
