“ I am very sad to hear about Tommy's passing. I used to work for Tommy with the Concessions, selling Cokes at Colorado Field for CSU home games in 1966 to 1968. I also used to get our Concession supplies from Tommy at Central Storeroom.

Tom was a great man and so kind. My thoughts are with the family and friends.

“ Mr. Tomlinson worked with my father, Larry McMillan at CSU. Later, while I was a student at CSU, I worked in Food Service. He was always kind, gentle, and wise. He garnered the respect and trust of anyone with whom he met. He left a beautiful and powerful legacy to the University and to the community.

“ I remember seeing Tommy for the first time as Margaret Batson was showing him the dining room in the Admin Annex building on a Winter or Spring day in 1957. I was sa freshman and wondered who he was. I had no idea that I would one day be working with him on the CSU campus. Tommy and Inez became good friends after I returned from the Army and worked in the Student Affairs Division. Tommy became a role model and a mentor for me. I don't think that I ever won a handball game with Tommy.

Margaret amd I were blessed to travel to Alamosa for Chuck Westk's memorial service a couple of years ago. It was a most enjoyable trip for us.

I thank God that Tommy, Inez and their family were and are in our lives. May God bless all of you as you relive the wonderful memories with him. Rex & Margaret
