“ *Lee was a stand up man and told it like it had to be. I had the upmost respect for Lee. I will never forget his dedication for his code of ethics and being a leader for all mechanics who could use a Lee to guide them to uphold the ethics it takes for mechanics to follow. God speed Lee Jensen and thank you for your contribution.*

“ *Dear Lois and family. What a dear sweet man. What a wonderful family. It seems like last week I saw him riding his bike up north. If he is not in Heaven then none of us could get there. He was a kind and gentle man. We will miss him dearly. Our prayers are with you all. Love Lee And Patty Grant*

“ Dear Lois and family-  
My sincere sympathy is with you Lois and family. I met Barney at one of his art shows, that Lois had told me about when she was in at Key Bank where I worked. I attended and bought 2 of his beautiful painted cards. I've kept the cards not wanting to use them. One is of barns on a farm and the other is of a dog, they are so beautiful. He was so talented.  
You are in my thoughts and prayers, may God always comfort you.

Dear Lois and family,  
We are saddened by the news of Barney's passing. Recently we had such a nice conversation at the symphony and admired his wonderful attitude and energy. A kind and talented man. His painting of geese adorns our fireplace mantle and reminds us daily of Barney. We will miss him as we know you will.

*Dear Lois and family,  
Like so many, we are so very sorry to hear of Barney's passing. He was certainly a "gentle" man and I especially loved talking to him about his art and painting. He is surely missed by so many. Much Love and Support to all of you,

*Lois, you probably don't remember me, Ben Flaim. Saddened to hear this. I have many of Barney's early paintings in my house, with memories attached to each of them. May the peace of Christ take care of you.*
