“ *When our youngest son died Christmas of 2006, Carl was not afraid to talk to me afterwards. When you suffer a deep loss like we did, most people avoid you because they do not know what to say. Carl knew what to say because of his deep faith. It is fitting that Carl died just before Christmas because he deserves to celebrate Christmas in heaven. I will miss you Carl.*

“ *Carl gave me a subscription to Astronomy magazine and through the years that we worked together taught me many things about many subjects. I'll miss you Carl, thanks for being my friend.*

“ *I was lucky enough to have worked with Carl while we were both at Water Pik and we remained friends even after Pam & I moved to Illinois. I will miss him dearly, as I'm sure his family will. Our best to you.*
