

Carol Morschhauser

June 28, 2022

Carol Morschhauser passed away Tuesday, June 28, 2022 at the age of 78 at her home in Fort Collins, Colorado, after a battle with progressive supranuclear palsy (PSP). Carol was a beloved wife to her husband, Roger, with whom she had just celebrated over fifty years of marriage on June 26th, and mother to her son, Todd of San Diego, California. She is also survived by her sister, Patricia (Horacek) Pyle of Mentor, Ohio. She was preceded in death by her parents, Evelyn (Chamberlain) and John (Jack) Horacek and siblings, Robert and Richard (Jack). Carol was a dear friend to many others and strived to be a friend to all.

Carol graduated from the University of Texas and from Ashland University in Ohio. She had a rewarding career as a teacher in Sandusky, Ohio where she taught English, Computer Science and Library. She was a passionate reader and would often be reading two books at the same time. Carol was a true life-long learner.

Carol and Roger loved traveling together and during their many vacation trips they visited over twenty-five countries. Their African safari trip was one of the most memorable vacations that Carol would have liked to do again.

Her family is hosting an open house celebration of life at her home, 3662 Little Dipper Drive, on Saturday, July 30, 2022, from 2 – 5 p.m.

In lieu of flowers, her family is asking that donations be made to CurePSP (<https://www.psp.org/>) or to your favorite charity.

Carol was an active participant in the Garden Homes Observatory Village and her contributions were much appreciated, especially the rose garden she worked so hard to create on the walkway between Little Dipper and Big Dipper. Thanks, Carol

So sorry to hear this. Glenn and I were friends from back in the Sandusky days. I was also a teacher and remember helping start parent groups within the schools to promote computer learning. Our thoughts and prayers are with you, Roger and Todd.

What a wonderful asset Carol was to our senior Shakespeare group! Knowledgeable, witty, and eloquent whether reading Lady MacBeth or Falstaff, she added warmth and intelligence to our beloved group. She was beautiful, kind, and just so fun to be around. We'll remember and miss her always.
