

## Cherokee L. Cordova

February 1, 2025

Cherokee “Chunk” Lee Cordova, beloved son, brother, grandson, nephew and friend, passed away on February 1, 2025, at the age of 26. Born on March 10, 1998, in Fort Collins, CO to Steven “Mano” Cordova and Tina Cordova. He was the baby brother of Steven “Manuel” (Robyn) Cordova, Cheyenne Cordova and Alexia(Cody) Cruz.

Cherokee was a loving boyfriend to his girlfriend of 9 years Rita Maxwell. His nephew Wesley and nieces, Raine and Alayla were also a wonderful addition to his life. Family was always important to Cherokee and losing his father at the age of 14 was extremely difficult for him. Our hearts are full knowing he has been reunited with his dad.

Cherokee is survived by his grandfather, Steven Cordova, Aunts, Angela (Scott) Pohlenz, Ariel(Lance) Pickett, Bailey (Jeremy) Selvage and Annette Fuentes; Uncles, Nano(Yvonne) Cruz, Donovan(Heather) Cordova, Isaac Cordova and Zachary Cordova and many cousins who loved him very much.

Cherokee was an avid lover of all Colorado sports teams. He enjoyed spending quality time with his family and had hopes for more time with all of us. Although his time was cut short, we are all thankful for the wonderful memories we are left with and his memory will forever be cherished by all who knew him.

The memorial mass will be held on Thursday, February 6, 2025 at 9:30 a.m. at Saint Joseph's Catholic Church in Fort Collins, CO. Reception to follow at the Knights of Columbus.

“ I can't think of one memory alone because there are millions over the past 9 years like the Tech N9ne shows, Bronco games, Nuggets games, Elitches, spending time with my family, Holidays, our cute little dates that we would love to go on, and many more. But one thing I know for sure is this man was EVERYTHING to me! Moving forward is going to be so hard but Cherokee will forever have that piece of me that left with him that day and I will always carry him with me. I love you so much baby!

*My Chunky monkey, words cannot express the sadness in my heart 💔 I will hold my memories of you close to my heart, from you running in your diapers, fishing at Lake 4, camping, WWE shows, to the day, I watched you take your last breath. I know you have spread your wings with your daddy and the rest of our family who has had the gift of gaining their wings already too. I know you are happy and healthy again watch over us all!  
I love you to the moon and back!*

*Forever in my heart you will stay. This is not good bye but see you later when we all will reunite.*
