“ *My thoughts and prayers are with you all! I will always remember when Colleen and Craig moved into the house across the street from Mom!*

“ *Mom, Never will I meet someone like you. I have no one to talk to. You left too soon. I know you are in a better place. I love you and await the day to see you again.*

“ *The loss of Colleen will greatly effect this small community. Her dedication to the Wellington Public Library has made it what it is today. She was always the first to volunteer and the last to leave. Thank you Colleen for all you've done.*
