

Crystal Gene Wilcox

January 14, 2026

Crystal Gene (Wilson) Wilcox, age 75, passed away peacefully on January 14, 2026, at her home in Loveland, Colorado. Crystal went to be with Jesus Christ, her Lord and Savior, surrounded by her loving family.

Crystal was born on September 8, 1950, in the small town of Saint Francis, Kansas, to Wesley Wilson and Anna Marie (Indorf) Wilson. At the age of two, Crystal and her family moved to Boulder, Colorado, where she lived until she graduated from Boulder High School with the Class of 1968. She went on to graduate from the University of Colorado, where she earned a Bachelor of Science in Nursing (BSN). She eventually focused on her passion for pediatric nursing.

Her nursing career took her to Wyoming and Colorado, and finally to Tucson, Arizona, where she served as a nurse at Agua Caliente Elementary. While working at the school, Crystal met the love of her life, Vic Wilcox, in October 1985. Their relationship blossomed, culminating in their marriage in Tucson, Arizona, on June 20, 1986.

Crystal was a woman of strong faith in Jesus Christ. Her faith led her to seek God's will in her life and to know Jesus as her Lord and Savior. Because of her caring heart, she desired for others to know God's will in their lives as well. She expressed this daily by telling her boys, "Let the glory of the Lord be on

you.” Crystal and her husband, Vic, were longtime members of Foundations Christian Church.

Crystal is survived by her husband and best friend, Vic Wilcox; her son, Wesley Jacob Wilcox, and daughter-in-law, Mariah (Thompson) Wilcox, of Longmont, Colorado; her son, Jonathan Burket Wilcox, of Loveland, Colorado; her sister, Janet (Wilson) Sobey, and niece, Tatiana Marie Sobey, of Houston, Texas; and her brother, Wesley John (Jackson) Wilson, of Houston, Texas. She is also survived by many beloved family members and friends in Tucson, Arizona; Colorado; and Kansas.

Crystal was preceded in death by her parents, Wesley Wilson and Anna Marie (Indorf) Wilson.

A Celebration of Life will be held at Foundations Church in Windsor, Colorado, on Friday, March 20, 2026, at 2:00 PM. A reception will follow the service, and all friends and family are welcome to attend. In lieu of flowers, donations to Samaritan’s Purse would be appreciated.

“ Vic, Jake & Jon, We are so sorry to hear of Crystal's passing. We have such sweet memories of the McDonald's days when our kids were little. Those times together meant so much. While it's hard to say goodbye, we are thankful knowing she is now with Jesus and no longer suffering. You and your family are in our thoughts and prayers.

Ginger and Danny,
Thank you for your thoughtful response and for reaching out to us. We appreciate your friendship over the years. We miss Crystal very much but find a lot of peace knowing she is in heaven with Jesus. Hope to see you soon. Take care. Vic

I've known Crystal since our days at the YMCA of the Rockies in Estes Park (1970). We visited several times over the years since then, and made a memorable trip to Minnesota for a friend's wedding, and an unforgettable trip to Mexico. I could write a book about our adventures. When we got together we laughed until we wheezed. We also had much to discuss about our Jesus. Crystal had a wonderful sense of humor, and she radiated peace. I'm sorry to hear she's left this place where her life started and so many loved her. But I'm happy to know I'll be seeing her again. Love to her family, her brother and sister, and all her other friends.

“ *Crystal and I have been friends for 20 years. We met in Bible study. She and I always joked about what we will do in heaven that we couldn't do here on earth. One was her running and me eating Key Lime pie. But, mostly was to see our Jesus' face. She had a strong unshakable faith. She loved her family so much. I will miss her, but I'm so happy she is out of her wheelchair and on her feet dancing and praising the One she loved most ~ Jesus!*

“ *I was a classmate of Crystal. I mostly ran with her older sister (Janet) but had many good memories of Crystal. We shared some classes together and also were candy strippers at Boulder Community Hospital. She was a real sweetheart for sure. Very caring and loving! Even if she was mad it seemed like she had that big smile on her face. She had unending strength and endured so much more than I could ever imagine! My sincere condolences to her family! May she forever rest in the peace she so deserves!*

“ Victor,

My heart is so heavy for you and the boys. Crystal's faith and fighting spirit were something I deeply admired. Even though we didn't get to see each other often, I always carried respect for her strength, her love for you, and the way she loved her family so completely and unconditionally.

Please know I'm holding you all close in my heart and prayers. Love always! KK
