“ *Mr. Daniel Fahrlander, I worked with him as a translator when he came to Oruro, Bolivia.  
He was a great human being. He met my fiancé and when we got married, he found a way to send us a gift. My condolences to the family, even I am a kind of late.*

“ *My friendship with Dan goes back to almost 30 years ago. I still remember my first Thanksgiving here in U.S.. Drinking Dan's coffee, we enjoyed the Colorado sunshine in his cozy sunroom. Donna and Dan took me to Estate park. The beautiful snow and his heartwarming friendship opened my journey in America. Over the years, Dan's great spirits in life, family, and friends accompany me throughout many harsh moments of my life. I was deeply saddened by Dan's passing. May him Rest In Peace. I miss him! “ My deepest condolences, so sorry for your loss. I remember when we were kids and Dan came and picked us up for the weekend. He told us to hide so Donna couldn't see, he told her we couldn't come visit. She was sad then we jumped up and said, Surprise!! Donna was real happy and scold Dan. He just laughed!! He was always happy!! Mr. Dan Farlander you will truly be missed, Save me a spot in Heaven!! Prayers for the family!

“ Cousin Dan was one of the most positive people I have ever known in my life. One of my very favorite memories is listening to Dan and Uncle Ivan playing the piano together. Lots of love and hugs to Cousin Donna and family.
