“ All of us, at EF Hutton in Greeley, loved Dan T. He's was the one guy in the office that was ALWAYS positive and never shared a negative sentiment with anyone at anytime. He had a great sense of humor and a caring and compassionate spirit that permeated the environment each and everyday. I count myself lucky to have spent the little time that I did with "Dan the man"...What a great loss... my condolences go out to all of his surviving loved ones. John Hetherington

“ Very grateful to have known Mr. Daniel Templeton. I worked with Mr. Templeton at Aims Community College and found him to be a hard worker and excellent administrator. Dan was well respected by all those who worked with him at Aims, knowing that he cared so much about those in the college and the community at large. He was also a good friend and the photographer at our wedding. Such a great photographer, and excellent instructor of photography at Aims. My condolences go out to the family that Mr. Templeton loved so much.
