“ *My deepest sympathies to you and your entire family. All you have told me about your father reminded me of this prayer...
God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best.*

“ *We will miss Dan and his gentle spirit and strong leadership. He was a valued member of our parish. I served with Dan on the Parish Council and admired his wisdom and thoughtful nature. They don't make men like Dan any more. He will remain a constant inspiration to me.*

“ Uncle Dan will be missed greatly. He is the type of man whom you meet for the first time and you are instantly friends, and though miles and years separate you, when you see him again it's like you were together yesterday...I look so forward to seeing him again one day and just pick up where we left off. Our love and condolences to Aunt Betty and Dan's clan in Colorado and NY. God bless you! Love Katie, Bob, Meghan & Kerra in RI.

“ Dear Betty and Family,
I was so sorry to hear of Dan's death. A classmate, Jean Neumann called yesterday to give me the sad news. I only met Dan twice but he impressed me on both occasions as being a great person. My last remembrance of him was when Betty and he attended my 50th Jubilee in Fox Chase. I was thrilled to have you both at the celebration. May Dan rest in the peace of the Lord and may you all be consoled knowing that, "in death, life is changed, not taken away."
Love and prayers, Pat

“ We are so sorry to hear of Dan's passing. I remember many delightful over-the-fence conversations with Dan about family, politics, religion, raising children & many other topics regarding daily living. He was a kind and caring man. The kids will forever remember blueberry pancakes on the deck. Hugs to Betty and Mary and our sympathy and prayers for the entire family.

“ Dear Betty, Mary, and Tobin Family,
We extend our heartfelt sympathy to you after hearing about Dan. We heard about his illness through Margaret Mary. We have prayed for Dan's healing and now we know that God has answered our prayers. We know that Dan was a good man - the salt of the earth as the bible says. He was a protector, a family man, a patriotic man, a faithful follower of the Catholic Church. He was a good example to us as we began life on Russett Rd. We treasure the memories of his friendship. He was a caring soul and it was reassuring to know he was only a few houses away. We enjoyed his company and genuine concern everytime we added a new child to our family. We remember the hospitality he extended to friends and neighbors down in his bar area. Betty, we remember you in a special way as you start a new phase of your life without Dan. Your children and grandchildren will be your comfort and the days will be brighter with them surrounding you with their love!!! We wish we could hug you! Be assured of our prayers for you! May Dan rest in peace. Amen

“ Dear Betty,
I extend my deepest sympathy to and the children on the loss of
Dan. What a wonderful man. It was my privilage to know him and
see him in action around the church and community. I know you will
miss him and I will think of you often in prayer. It is very, very sad
when your loved one leaves, however, he leaves so many good
memories that with God's love and help and your family you will be
able to cope.
God Bless and much love, Anne

“ I was so sorry to hear of the passing of your dad. He and your
family have always held a special place in my heart. I remember
him cooking us breakfast on Sunday mornings, Eggs Benedict, one
of my favorites. I also remember him driving us to school, and to the
Irish Cotillions. He was always so calm, and welcoming. I wish you
all my deepest sympathy and will pray for your family during this
difficult time.

“ Dear Betty and Family,

We were so sorry to hear of Dan's passing away. We will always remember the great times at St. Judes. We had a special connection--the same wedding date. This was always remembered at the anniversary Masses.

Dan's 'political humor' was very special. He will always be remembered.

You are all in our thoughts and prayers. God Bless Dan and his Family.

“ *My thoughts and prayers are with the entire Tobin family and their friends. I have known Steve for over 30 years, and Dave a long time. These men are two of the most caring and honest people I have ever met. I am sure the rest of the kids are the same. That is a tribute to both Dan and Betty, of their values they gave to their children. I am so very sorry for your loss. Sally*

“ My sophomore year in high school, I was introduced to the Tobin family. Although life has taken us in different directions they have always had a place in my heart.
Having lost my Father in my childhood there were a few of my friends fathers that unknowingly had an impact on my life through the way that they lived and the way they guided and disciplined their children, my friends. "The Commander" as we lovingly called him (out of his sight of course) was one of those fathers.
I share with the Tobin family in the suffering of their loss. My thoughts and prayers are with you.

God be with you, Mr. Tobin, until we meet again,

“ My deepest sympathy to Betty and all the family. I have such wonderful memories of all the family tales Dan would share with Paul and me when we would visit in Rockville. We loved hearing about Granny at Shamrock Cliff. I am grateful to have known Dan who was so generous, thoughtful, and humorous. The world is in a better place because of all his contributions. Edith and he are probably sharing some good laughs in heaven.

“ After what can only be described as a rocky start, the Commander turned out to be a pretty cool dude. We probably never agreed on anything, but in the end we could laugh about it all. He went out on his own terms, and you have to respect that. More than once we put him through Hell, so now he can enjoy Heaven. I hope we can all end our lives with the same grace, dignity and bravery that he demonstrated in his own life. He didn't like the Yankees, so he wasn't really that smart (just kidding). Let's all just take our best memories and smile whenever we think of him. P.S. Steve is a bum.....

“ Sending warm condolences to Betty, all the children and cousin Paul. I remember Dan as always being such a warm and caring person. He will be missed.

I was very sorry not to be able to attend for the festive celebration of Dan's 80th birthday several years ago in Colorado. Dan was quite interested in sharing family history and seemed like a link to the Tobin and Halpin heritage. He was closer to the generation of my mother, Edith, his aunt, and quite a special favorite of hers and my grandmother.
